Slough and Eton is looking for a great teacher to join our English department in September. We have an excellent team comprising of a great mix of experienced and recently qualified or training staff. English is a successful subject at Key Stage 4 and 5 and we are pleased to be able to recruit to this key team.

The department is in a dedicated English area and benefits from access to the latest Clevertouch interactive technology. The new member of this team needs to be a qualified English teacher with a love of English and reading. If that's you then you will need to be hardworking, dedicated to ensuring students of all abilities can succeed and, crucially, a great classroom teacher. Previous experience of examination teaching at either KS4 or 5 is essential although there is no requirement to have taught post-16 previously. NQTs are encouraged to apply as this is a great team to develop your teaching skills with.

Slough and Eton is a great school on the outskirts of Slough, which serves the Chalvey community. We are relentlessly focused on ensuring great teaching, learning and experiences are at the core of what we do. It is an exciting time for us and our students are a pleasure to work with.

If you are interested in finding out more then please read the welcome letter from our Headteacher and feel free to visit the school in advance of applying (subject to the current restrictions – please contact Beverly Glanville, HR Advisor). We know how challenging it is to visit schools at the moment but will help achieve this in whatever way we can. You can also call the Headteacher if you'd like to talk about the school and the role.

We welcome applications from colleagues who may wish to be considered in a part-time/job share capacity and are happy to explore flexible working arrangements. We are, of course, committed to safeguarding the welfare of our students and staff and will conduct all necessary DBS checks as part of our recruitment process.

We look forward to hearing from you.
