Sancta Familia - Who we are

Who we are

We are a Catholic multi-academy Trust. We lead a family of Catholic schools from across South London where everyone is known, loved, and adds value to our community. We believe in autonomy with coherence – we have a duty to share and implement best practice across our schools but also encourage the development of next practice to drive continual improvement.

We believe we will succeed by being a little bit better tomorrow than we were today through excellence in faith, service, personal development and academic progress.

Our Values

Our values of love, service, humility, and Catholic faith drive our behaviours towards ourselves and each other.

- **Love** – “love one another as I have loved you.” John 13:34.
- **Service** – we serve the needs of others, and we respect everyone - seeking to understand rather than be understood. St Francis of Assisi.
- **Humility** – we aim to be the best, but we know that to do so we must put ourselves last - "think first the foundation of humility. The higher the structure is to be, the deeper must be its foundation." St Augustine.
- **Faith** – God has given us faith, and we have courage to use it - “have courage! Get up; he is calling you.” Mark 10:4.

Our Pillars

- **Faith**: we take time every day for service, reflection, and prayer.
- **Service**: we serve our communities - with preferential treatment - for those who are poor in spirit or circumstance.
- **Personal development**: every member of Trust works hard to develop their talents each week.
- **Academic progress**: we provide an excellent education for every student, every day.

Our current position:

- We currently serve the London Boroughs of Merton, Sutton, Lambeth, and Croydon.
- We are a growing Catholic family of 7 schools (6 x primaries and 1 x secondary).
- We educate more than 3,500 pupils (3,523).
- We employ almost 700 staff (686).

St Cecilia's Catholic School

Regina Coeli Catholic Primary School

St John Fisher RC Primary School

Ursuline High School Wimbledon

St Elphege's RC Infant and Junior Schools

ST AIDAN'S CATHOLIC PRIMARY SCHOOL

Our current schools are high performing. Typically, our headline results at KS2, KS4 and KS5 are significantly above national. For example, the percentage of pupils achieving the expected standard in Reading, Writing and Maths is 81% and those achieving 5+ in English and Maths at GCSE is also 81% - approximately 20% above national averages for both.

You will be joining a new yet highly successful group of schools. Your challenge will be to work with our school communities to help us get even better.

By 2030-31, we have set ourselves a very ambitious goal to be internationally renowned for excellence in faith formation, service, development of talents, and academic progress.

As the Estates Lead, you will play a crucial role in driving our progress towards this vision. We are looking for someone who can live our values, and is passionate about the transformative impact of Catholic education.
