Job Description

Job Purpose:

The Estates Projects and Compliance Manager provide effective and efficient strategic and technical management of premises projects and site compliance.

This role is pivotal in delivering safe, sustainable, and high-quality learning environments that support educational excellence and long-term organisational sustainability. The postholder will lead on compliance, health & safety and environmental initiatives, ensuring the Trust's estate is fit for the future and aligned with its strategic priorities.

Key Responsibilities:

- Providing support to the Trust Associate Director of Estates with larger project works and with the implementation of new Trust strategies.
- Responsible for all site and building compliance throughout the Trust.
- Working alongside the Premises Teams to maintain the school 'Local Asbestos Management Plan' and advise staff and school leadership teams with safe management procedures. Arrange and coordinate asbestos management surveys and works. Provide support for premises teams with the management of Legionella, including risk assessments and risk assessment works.
- Assist in managing the annual estates budgets and local project budgets; to include creation of order requests, appraisal and approval and delivery sign off in line with Trust procurement policies.
- Assist the Trust with site utility management and energy management initiatives, including local renewable energy contracts, co-ordination of renewable energy readings and liaison with relevant government departments.
- Provide health and safety and estates technical advice and support to all school departments, Premises Teams and Operations Managers; supporting the Operations Managers and Premises Teams with school health and safety management including audits, surveys, risk assessment and documentation.
- Management and the co-ordination of estate contracts, contractor health and safety and arrangements.
- Prepare designs and plans for schemes and changes to buildings and area layouts.
- Carry out preparation of minor project specifications in line with local planning, building regulations and CDM regulations. Tendering of works in line with Trust procedures, award of contracts, appointment of contractors and contract administration.

- Ensure the management of contract and project works so as to present minimal disruption to teaching and school operations.
- Routinely monitor and record estates and building condition to ensure compliance, safety and the upkeep of the site.
- Manage and maintain the Trust asset management system advising of life cycle items for the Estates Management plan and Strategy.
- Manage and maintain the Trust compliance management information using the school cloud-based software package. To schedule inspections and administration of service information and reports.
- Provide monthly compliance reports to all schools and keep the Trust informed of any Building Compliance Issues.
- Work with various consultants and advisors to the school to support school initiatives and improvements.
- Prepare formal written papers and reports to inform school senior leadership and Trust on Estates related matters.
- Provide on-site support to the schools and Trust with major project works, including attendance at meetings, management of contractors and safe working.
- Advise school leadership of changes to premises and estates legislation that may impact on teaching and budget.
- Assist with overseeing the work and professional development of any school level colleagues undertaking relevant work.

Professional Development

- Maintain personal professional development to ensure that the knowledge and skills required to fulfil the role of Estates Projects and Compliance Manager are up to date.
- Be a professional role model and understand and promote the aims of the values of the Trust.
