Rhyddings

Exams and Data Officer
June 2025

Welcome from the CEO

Thank you for showing an interest in the post of Exams and Data Officer at Rhyddings. The LET Education Trust is a cross-phase multi-academy trust based in Lancashire with both primary and secondary schools as members.

We believe that every child deserves the best education and we create opportunities and experiences for all of them to reach their potential. Building 'cultural capital' is vital for our pupils and this occurs from reception up to year 11 through trips, activities, projects, events and residential, both at home and abroad. We are ambitious for our pupils, meaning we are always striving for excellence and supporting career aspirations through a culture of constant improvement.

Each of our schools is different and this is something we value and celebrate. The uniqueness of each school is supported by strong central services and a school-centred and approachable central team. Most colleagues work in one school but some work across a range of schools where their skills and abilities are needed.

Collaboration is key for LET schools and at the forefront of this is staff development. Joint INSET days with keynote speakers, middle and senior leader training and subject links occur across and between schools and phases. To ensure consistency of approach and sharing of good practice we have termly meetings for our safeguarding leads and our SENCOs, sharing this information is proving invaluable. All working groups to find the best ways to reduce workload for teaching and support staff are also in place for both primary and secondary phases. School to school liaison around transition is vitally important in ensuring our pupils arrive at secondary school with the necessary skills and helps to ensure a smooth start to year 7.

One of the strengths of the LET Education Trust is school improvement, with a range of high-quality SLEs able to provide support where it is needed, both within and beyond the Trust. We play a part in Initial Teacher Training as part of our remit through the Embrace SCITT. We have successfully trained primary and secondary teachers over the last 10 years with a large number employed locally and within the LET Education Trust.

If you have the highest standards of professional endeavour, integrity and ethics and would like to be part of our growing MAT, I look forward to receiving your application. You can find out more about our Trust at www.let-edu.org

Best wishes, Steve Campbell
Chief Executive Officer

Welcome from the Headteacher

We would like to extend a warm welcome from all pupils, staff, governors and trustees of Rhyddings. We serve the East Lancashire old mill town of Oswaldtwistle and surrounding area of Hyndburn. It has been at the heart of the community for over 90 years and although a smaller than average high school we cater for pupils from a diverse range of backgrounds. The school enjoys good transport links via the M65 corridor and adjoining networks of M6 and M66. We continue to work hard to prepare the young people we serve and help them realise and reach their potential, providing them with the very best educational experiences.

The school was inspected by Ofsted in January 2025 and was graded as 'Requiring Improvement' in all areas. This has given us a clear focus for the changes needed and with our new headteacher and deputy headteacher in place the work has already begun in a positive manner.

Pupils are well supported through our pastoral year and house continent system, with year group tutoring further supporting the child. This provides the care and guidance pupils need to perform well across the curriculum as well as healthy competition throughout the year.

We have an active extra-curricular programme and run a number of annual residential trips both here and abroad. Close links with the local rotary club provides access to bespoke programmes, community work and charitable activities. Pupils also have the opportunity to participate and complete their Duke of Edinburgh Bronze Award and some participate in the King's Trust programme. We have a three year KS3 and two year KS4, offering the EBacc, should pupils choose to do so as well as a range of vocational courses and strong post-16 and careers advice.

Should you wish to arrange a visit to the school, which we encourage, please contact Mrs Treasure, Operations Manager, on 01254 231051.

Yours faithfully, Mr D Lancaster, Headteacher
