EXAMS OFFICER

MALTON SCHOOL

Required from January 2026

Closing date: 9am Tuesday 18th November 2025

Interview date: w/c Monday 25th November 2025 (TBC)

Malton School

A Specialist Science School

Malton School is seeking a well-organised, efficient and reliable Exams Officer to join our dedicated support staff team. This is a key administrative role at the heart of the school, ensuring the smooth running of all internal and external examinations. The successful candidate will take responsibility for the full exams process, from registering candidates and managing entries to preparing timetables, arranging invigilation, and ensuring that examinations are conducted in line with awarding body regulations.

We are looking for someone who is calm under pressure, accurate in their work and able to manage multiple deadlines. Excellent communication, organisation and IT skills are essential, as the role involves working closely with staff, students, parents and exam boards. Previous experience in exams administration would be an advantage, but training will be provided for the right person.

At Malton School, we pride ourselves on being a welcoming and supportive community where every member of staff plays a vital role in helping our students achieve their best. This position offers an opportunity to make a real difference in a busy and rewarding environment.

For the successful candidate we offer:

- A welcoming school where staff / student relationships are excellent
- A vibrant, supportive community which engenders a real sense of belonging
- The opportunity to join a friendly and supportive team.
- A varied and interesting role
- A coaching culture which is a key focus for bespoke staff development.

ABOUT MALTON SCHOOL

Malton School

A Specialist Science School

A small, friendly school providing a happy environment for personal development

Malton School serves a wide rural area of Central Ryedale, as well as the town of Malton itself. We currently have 1002 students on roll, including 216 in the Sixth Form; there are over 60 teaching staff and over 70 support staff. We are fully comprehensive. Our staff student relationships are excellent. Behaviour is extremely good. Most of our students move on to university and many of them to Russell Group universities. We offer a very happy and supportive community in which colleagues can further develop their career. The school is over-subscribed.

The school operates an iPad for Learning Scheme. Every member of staff has an iPad as well as a laptop and all students have an iPad.

The school has recently joined the [Pathfinder Multi Academy Trust](#) and [Teaching School Hub](#) and we are also a member of the [Red Kite Teaching School Alliance](#). We share staff development programmes and opportunities within the MAT and the alliance, including leadership development and support for early career teachers.

Benefits of working at Malton School

The school prides itself in being a supportive employer, offering favourable terms and conditions to facilitate outstanding teaching and learning. Some of the main additional benefits of working at Malton School include:

- PPA above the national expectation in response to staff delivery of a Personal Development Activity (PDA – see below).
- A strong bespoke staff development programme for all staff.
- Access to Employee Assistance Program
- Apple Distinguished School – your practice will be enhanced by having an iPad to utilise in the classroom.
- Membership of the Red Kite Teaching School Alliance.

Malton School was judged Good with Outstanding Sixth Form Provision in December 2023

Exams at Malton

Exams are a pivotal part of school life, representing moments when our students can truly shine and show the progress they've made through hard work and dedication. At Malton School, we believe that a calm, well-organised exam experience helps every student perform at their best and feel supported throughout what can be a challenging time. The Exams Officer plays a crucial role in making this happen — ensuring every detail runs smoothly, every student feels confident and prepared, and each exam day reflects the care and commitment that define our school community.

The Pastoral Team

Malton School provides a caring environment whilst inspiring students to fulfil their potential. We have a dedicated Pastoral Team that works with staff and students throughout the school. The Team is led by the Directors of Keys Stages 3, 4 & 5 (Lower/Upper School and Sixth Form) and consists of 7 Heads of Year across the three Key Stages, all overseen by the Assistant Headteacher Pastoral Care & Safeguarding. It is supported by a team of Form Tutors, a Career and Attendance Lead, Head of Guidance and a dedicated Pastoral Admin Team.

The School Curriculum

We operate a four-period day within a ten-day cycle. Each lesson is 75 minutes long. Students have 26 hours curriculum time each week, with the extra hour on a Thursday set aside for personal development (see below).

Key Stage 3

Students are placed in mixed-ability form groups. In Year 7, teaching is in mixed ability groups. In Years 8 and 9 setting is for Science, Maths and the group of subjects English, Geography, History, French and Religious Education.

Key Stage 4

English (including Literature) Maths, Double Science, Religious Studies and Physical Education are compulsory. Students then choose four further options subjects (10% of curriculum time each). Where students choose triple science, this takes up one of their 4 option blocks.

Key Stage 5

Advanced Level courses are currently taught in Biology, Chemistry, Computer Science, Design Technology, Economics, English Literature, Fine Art, French, Geography, History, Maths, Maths (Further), Music, Photography, Physics, Physical Education, Politics, Psychology, Religious Education, Spanish and Sociology. BTECs are offered in Food Science, Health and Social Care, and Sport and Cambridge Technicals are offered in Information Technology, Business Studies, Digital Media and Performing Arts. Re-sit GCSE courses are also offered in English and Maths, together with an open access provision for IT skills acquisition.

Personal Development Activity

One hour per week is devoted to personal skills development. Staff offer nearly 40 different courses. Students choose a different course each term. The scheme is focused on character education and the development of the whole child. New members of staff would be expected to contribute to this programme.

Academic Structure

The academic work of the School is structured in Faculties. Each Faculty is led by a Faculty Leader and an Assistant

Faculty Leader. In-service training is managed in consultation with Faculty Leaders. Funding for books and equipment is derived from a formula which takes account of the numbers and ages of students as well as the nature of the subject. Faculties are also able to bid annually for additional funding from the School budget, the Endowment, and the PTA.

The School Site

We are fortunate to enjoy a large site on the edge of Malton with views of both the North York Moors and the Yorkshire Wolds. The sports field accommodates three hockey, four football, one rugby pitch, one cricket pitch and an athletics track as well as hard court tennis courts / netball courts. Staff can use our sports facilities in the excellent sports centre. There is plenty of parking space for staff.

Malton School was founded in 1547, becoming a comprehensive school in 1971 with the merger of the original grammar school and the neighbouring county modern. The two buildings, known as East and West Wings, date from 1911 and 1958. As far as possible, subject departments are housed in one wing. Most members of staff are based permanently in one room.

We opened a new Science block with four new laboratories in 2004 on becoming a specialist Science School, resulting in a total of eight laboratories and associated preparation rooms. Our Food Technology rooms were totally re-furnished in 2011. In February 2011 Archbishop Sentamu opened a community sports centre and full-sized, floodlit, astroturf pitch on the school site, providing us with the best P.E. facilities in the area. A dance and drama studio was opened in September 2013. Fully refurbished DT rooms opened in September 2016. A new 4 classroom Humanities block was opened in September 2021. We have recently opened an improved library and set of music facilities in September 2024.
