Dear Applicant

CLASS TEACHER AT MANORFIELD PRIMARY SCHOOL

Thank you for your interest in applying for the role of class teacher at Manorfield Primary School.

Manorfield Primary is a friendly and welcoming school, situated in Poplar, east London, at the heart of a diverse community. We have exciting plans for the future and are focused on raising standards further. We are innovative in our approach and engage every child with a creative curriculum and cross-curricular learning. Children enjoy learning here: they work hard and behave well. Our teachers are committed to meeting the needs of the community; they work together effectively and are ambitious for our future.

The vast majority of our pupils come from minority ethnic groups and this diversity adds to our vibrant, creative approach to learning. As a school community, we are committed to understanding, respecting and learning from the range of cultures and religions represented at Manorfield. Our relationships with the community are important to us. We have strong links with the local authority, community groups and other local schools in our learning network. Parental involvement is a real strength of our work. Parents and families fully support all that we do for their children, and enjoy being actively involved in school life.

The school is served well by public transport and is located near both Langdon Park DLR station and Bromley by Bow Underground station. Canary Wharf, Greenwich and the city-centre can be easily reached by bus, the Docklands Light Railway and the London Underground. A wide range of housing is available across the borough or Tower Hamlets to suit different needs.

We are looking for enthusiastic and talented class teachers to join our friendly and hard-working team. The phase/year group will depend on the interests and experience of the successful candidates.

As a candidate you will be committed to high standards and improving achievement for all, and dedicated to providing good quality teaching for children of all abilities who are enthusiastic about their learning. You will have excellent interpersonal skills and the ability to work with an effective, creative and dedicated staff team to continue to develop high quality teaching and learning, and be able to work in partnership with enthusiastic and supportive parents, governors and the wider community.

The closing date for applications is Monday 5th June 2023 at 9am and only shortlisted candidates will be contacted. Interviews will take place during the week of 12th June 2023.
