Dear Applicant,

Thank you for your interest in the position of **Executive Headteacher** at the Federation of Greenbank Primary School and Howard Street Nursery School.

Our current outstanding Executive Headteacher is to retire at the end of the 2025 Summer Term, and therefore the Governing Boards are seeking a forward thinking, experienced, highly motivated candidate who can successfully manage this complex, two-site Federation. The Soft Federation (each school has its own Governing Board) recognises the unique character of each individual school. There is strong interaction between the two, which embraces the value of sharing resources, staff knowledge and expertise, and financial support; a collective team which is able to provide the best curriculum and the safest environments in which **all** children thrive.

A commitment to an imaginative and challenging curriculum which supports all children and staff to achieve the highest standards, is a central tenet of both schools.

Each school is warm, welcoming, caring and vibrant with highly motivated pupils and staff. They are well supported by parents and carers, and have good links with the local community. Both schools have had recent, Good OFSTED inspections.

As Governing Boards we are like-minded individuals that are supportive, challenging and open. We are keen to ensure that the high standards achieved over the previous years are maintained and built on; we will support you with this ambition.

We believe that this is an exciting and challenging opportunity for the right applicant and we hope that, after reading all about both schools and our Federation on our websites, you decide to apply for the post.

Yours sincerely,

Jane Ashley

Chair of Greenbank Governors

Janet Cook

Chair of Howard St Governors
