

Newhampton Federation

Newtown and Welshampton C.E. Primary Schools

Dear Applicant,

Thank you for expressing an interest in the position of Executive Headteacher at Newhampton Federation. Our governing body are extremely proud of our successful schools and their Christian Ethos.

We are seeking to appoint a leader who will share in our vision for both schools and lead by example to inspire and motivate staff, parents and pupils.

Since federating the governing body has seen the two schools benefit greatly from the partnership and the successful applicant will be joining an established working structure with a dedicated and experienced team of teachers, teaching assistants and support staff.

Our schools are situated in the heart of two beautiful rural communities in North Shropshire and work very closely with both our neighbouring churches and also the vibrant wider community.

The children attending our schools not only benefit from an outstanding academic curriculum but we also believe in the huge importance of extra-curricular activities. The school buildings have been well maintained and the grounds attached to both schools enable the children to thrive.

I hope you find the information in this pack helpful but I would really encourage you to visit our schools to get a better idea of whether or not Newhampton Federation is the right place for you.
