

Newhampton Federation

Newtown and Welshampton C.E. Primary Schools

Our Location and Facilities

Newhampton Federation was created in May 2016 when Newtown C.E. Primary School and Welshampton C.E. Primary School Federated. The schools are situated in the heart of the beautiful Meres and Mosses of Shropshire. The area is a patchwork of farmland, woodland, mosses and meres. Both schools are small, friendly, family, village schools with Christian values and provide a safe, welcoming, happy and secure environment.

Newtown School C.E. Primary School is set in the rural hamlet of Newtown near Wem, Shropshire. The school has 118 fulltime pupils aged 4-11 and 9 part time aged 3-4 taught in 5 classrooms. In 2001 a new build was completed, comprising of a rural nursery, classroom, ICT suite, main reception, staffroom, headteachers office and secretary's office. This newest build joins the previous buildings to form one complete site offering excellent accommodation for its pupils.

Facilities within the school grounds include a live willow dome, gazebo, allotment, covered stage and activity trail. In summer 2015 a Creative studio was completed to further enhance the learning environment and opportunities for the children.

The Nursery classroom has an indoor/outdoor area with shelter and all-weather surface.

Just ten minutes away is **Welshampton School C.E. Primary School**. Set in the heart of the village the school currently has 74 fulltime pupils aged 4-11 in 3 classes benefiting from an average class size of 25. In recent years the school accommodation has seen many improvements and now has three classrooms, library, disabled access and two offices .

Facilities within the school grounds include a large games field with newly built canopy with all-weather surfacing, adventure trail, trye park, garden and pond. This is in addition to a well-equipped playground with football pitch

Pupil Voice

Our Children's wishes for their new Headteacher

We asked a selection of our pupils what qualities they would be looking for in their new Headteacher and here is what they said

- Someone who is calm and polite
- Respectful of children's thoughts and approachable when needing help
- Someone who likes being with children and will enjoy teaching classes
- Someone who is calm in any situation
- Someone who is firm but fair
- Has a knowledge and expertise to deal with all age groups and level of educational needs
- Who respects the individual school and our beliefs
- Will treat everyone the way they want to be treated
- Someone who will not come in and change everything about our school
- Someone who can help sort out our worries
- Someone who can ensure the school is well maintained e.g. Good at DIY
