

Dear Applicant

Thank you for your interest in becoming our new Executive Headteacher. We are delighted to be able to offer a motivated and dynamic candidate the opportunity to lead our two fantastic PRUs in the next stage of their development. This position has arisen due to the retirement of the current and long standing postholder.

At the Silverdale Federation we believe that accountability and trust through 'partnership' provides better opportunities for all children through collaborative support and challenge. All our young people are encouraged to try their best; take responsibility for their own actions; have a go at everything and aim to succeed.

Our mission statements and ethos have been developed by the whole school community and as such children have a say in what goes on in our school.

We have an outstanding staff team who are passionate about the learning and well-being of children in their care. We believe that all children can succeed.

We have a strong inclusion team to support children and families including those with SEND. We are committed to developing our children academically, physically, emotionally, and socially, giving them the very best experiences of learning, with lots of outside visits and experiences, visitors and an innovative curriculum that seeks to develop knowledge and is relevant to life in the 21st Century.

We believe that children will be better equipped for life beyond school if they are more globally aware.
