1. Letter from our Headteacher

Dear candidate,

I am delighted to welcome you and introduce you to Hambrook Primary School. I am immensely proud of our school, our fantastic children and our highly dedicated, talented staff team. We are proud to be consistently ranked as one of the best primary schools in South Gloucestershire for both the attainment and progress of our children.

Joining our school, you will join a happy, ambitious and cohesive team striving for the very best for our children. We are a united team who demonstrate our vision of Whole Child, Whole School, Whole Hearted each and every day. New staff are warmly welcomed and staff morale is very high.

I warmly welcome you to our school, please book a tour with our office where I can show you around, introduce you to our wonderful staff and children and show you the fantastic facilities Hambrook has to offer.

I look forward to meeting you in person,

Jennifer Rubel
Headteacher

2. School Information

Hambrook Primary is a highly successful community primary school situated on the beautiful Hambrook common. It is a single class entry school with 206 pupils currently on roll.

-  10.6% pupils with EAL (22% national figure)
-  10.6% pupils with SEND (16% national figure)
-  2.9% pupils with an EHCP (2.3% national figure)
-  FSM 6% (26% national figure)

Few families live in the immediate local community, instead travelling by car from other villages. This means we are a 'choice school', parents often choose us over their closest school. Parents choose Hambrook because of our caring ethos, our high aspirations for pupils in all areas of school life, our fantastic facilities and our strong community. Our parents at Hambrook have high aspirations for their children and their achievements at Hambrook.

One of the main strengths of Hambrook Primary is the village school ethos, which is evident even though most children do not live in the immediate local community. The safeguarding and wellbeing of our pupils - physically, spiritually and emotionally as well as academically is central to everything we do.

The distinctive aims of the school are encapsulated in our vision statement 'Whole Child, Whole School, Whole-hearted'. The school values its members equally and is a community where everyone feels they are well cared for and encouraged to show acceptance, compassion and respect for others.

As part of our vision, we strive for the very best academic standards for our pupils no matter what their starting points. Staff are expertly skilled at teaching and promoting high levels of progress across the school.
