Belmore Primary Academy is a popular and thriving primary school serving a diverse community in West London. We are one of Hillingdon's highest performing Primary schools and our progress and attainment has put us in the top 20% of schools nationally. Outcomes in Early Years have been consistently above national averages.

We are an open and friendly school where each individual child is important to us. We have high expectations of all children and respect for each other is at the core of everything we do. We do not put a ceiling on the achievement and growth of any child.

We are looking to appoint an enthusiastic and motivated Early Years class teacher to join our friendly and supportive Reception team in September. We want someone who:

- has a passion for teaching and learning
- is ambitious for themselves as well as for the children they teach
- is creative and energetic

Whether you are just starting your teaching career or are an experienced teacher looking for a new challenge, we would like to hear from you. We see staff as the vital ingredient in our school's success and our commitment to the development of staff at all levels is a fundamental priority for us.

To fully appreciate what the school is really like you need to see us in action. Unfortunately with schools currently partially closed at this time full school visits are difficult to arrange. However if you have any questions or would like to talk to the Reception leader about the post please contact Ms Charan Nagah, PA to the Headteacher, at gnagah@belmore.school or 01895 462364 to arrange this.

Additional Information

CVs will not be accepted.

Safeguarding Statement

Belmore Primary Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will be subject to an enhanced DBS check, satisfactory references and other pre-employment checks.
