

## **Our Mission Statement:**

“CREATE, DISCOVER, SUCCEED TOGETHER”

We have children at the heart of everything we do. At Charter School, everyone values working together to become imaginative and creative learners through inclusion, respect and kindness. We are curious in our discovery of the world and challenge each other to succeed.

## **Charter School Values:**

At Charter we value

- Your child
- Respect
- Inclusion
- Aspiration
- Kindness
- Enjoyment
- Success
- The School and Locality
- Opinion and beliefs

In our most recent Ofsted inspection (December 2018) Charter is recognised as a good school.

The school was opened in 1994 and is a modern, light and spacious building with fantastic outdoor space including a large field and an all-weather pitch. A purpose built, specialist resource base for children with social communication difficulties, is integral to the school. An independent pre-school operates on the school premises.

We are an active outdoor learning school and previously achieved a Challenge Partners ‘Area of Excellence’ for our Learning in the Natural Environment (LiNE) and we have a qualified Forest School Teacher. We implemented the Outdoor Play and Learning programme (OPAL) in January 2022 achieving an OPaL Gold status in November 2023. We have an established nurture room which, while based on nurture room principles, is unique to Charter.

The school has an active and very supportive parent association (CSFA) who contribute socially and financially to whole school activities and developments.

## **Resource Base**

This was opened in September 2001 and now has eighteen permanent places, but it is currently supporting additional children. There are 3 teachers, 10 teaching assistants and 2 Lunchtime Supervisory Assistants linked to the resource base. There is a positive exchange of expertise between the teaching staff of the resource base and our mainstream teachers and teaching assistants.

**‘Create, Discover, Succeed Together’**

Children who attend the Centre follow an adapted National Curriculum, which takes into account their particular needs, as does their inclusion within mainstream activities. Whilst the Centre provides the basis of the children's schooling, the children are also active members of the whole school community. They take part in many mainstream activities and inclusion is a personalised programme for each individual, which is under constant monitoring and review. Children from mainstream also participate in reverse integration programmes and help the centre children to develop social and play skills during break-times.

- Promote safe practice and challenge unsafe practice
- Prevent unsuitable people working at the school

- Contribute to effective partnership working between all those involved with providing services for children

The post is subject to medical and safeguarding checks and will only be confirmed on the receipt of evidence of teaching qualifications, references and satisfactory health and enhanced DBS checks. It is an offence to apply for this role if you are barred from engaging in regulated activity relevant to children.

An online search will be carried out on all shortlisted candidates as part of our safeguarding due diligence. Online searches are undertaken to identify any incidents or issues that have happened, and are publicly available online, which may call into question a candidate's suitability to work with children. Shortlisted candidates will also be asked to complete a Criminal Record Self Declaration form.

All posts involving direct contact with children are exempt from the Rehabilitation of Offenders Act 1974, as the work brings employees into contact with children, who are regarded by the Act as a vulnerable group. However, amendments to the Exception Order 1975 (2013 & 2020) provide that certain spent convictions and cautions are 'protected'. These are not subject to disclosure to employers and cannot be taken into account.

Guidance and criteria on the filtering of these cautions and convictions can be found at: <https://www.gov.uk/government/publications/new-guidance-on-the-rehabilitation-of-offenders-act-1974>

The 'Exceptions Order' is indicated in the job advert for the role by us stating that a Disclosure and Barring Service (DBS) criminal record check will be required. In this circumstance you are required to list all of your cautions and convictions, including those that are spent, unless for the purposes of the job they are considered to be 'protected'.

You should be aware that as well as being able to ask you to disclose your cautions and convictions, we will be able to request the same information from DBS.
