The school has high academic expectations for pupils, and the pupils respond well to them. Many parents and carers described the school as 'like a family', with a strong sense of community. (Ofsted 2024)

At Brunswick Park we believe in the power of positive relationships to support learning, and are delighted to offer an opportunity to likeminded enthusiastic and effective teachers to join our team.

The school is a LA Community Maintained mainstream primary school that has a Resource Base for pupils with autism (ASC). Its community is socially and culturally diverse, making it a very interesting place in which to work and learn. Our roll is stable, and Reception is full in September. Teachers at the school are caring, committed, well-organised, supportive, friendly, consistent and willing to go the extra mile.

This is a varied, creative and deeply rewarding role for the right person, who believes firmly in giving every child the best start.

We offer:

- A vibrant, friendly, positive, and enthusiastic learning community where everyone's successes are celebrated.
- An inclusive, values-based ethos committed to nurturing and developing the potential of every child.
- A supportive and stimulating environment where children are well behaved and keen to learn.
- A committed, motivated, and reflective staff team including a Specialist Accredited Practitioner, a learning mentor and an ELSA to promote children's emotional well-being.
- Excellent professional and career development opportunities including gaining qualifications in Middle and Senior Leadership. Research informs our practice. We have a strong desire for continued improvement and further development.
- The opportunity to lead and develop a subject.
- Access to the Cycle to Work scheme
- Childcare voucher scheme
