Dear Candidate

Thank you for showing an interest in the teaching vacancy at our school. We are keen to appoint a teacher to join our friendly and supportive team who is willing to play a full part in the life of our very small school.

We pride ourselves on the strong relationships through school between pupils and staff and are looking to recruit someone who will very much support this ethos.

We currently have 35 pupils on roll organised into 2 classes:

Class 1 The Burrow for EYFS and Key Stage 1 and

Class 2 The Hive for Key Stage 2.

We have a fabulous team of support staff made up of 4 teaching assistants, a playworker and a school manager and, working together, we aim to achieve the absolute best for pupils; they are at the heart of all that we do.

The teacher we recruit will be for our EYFS and Key Stage 1 Class for three and a half days a week (all day on a Monday, Tuesday and Wednesday and a Thursday morning). We have nursery pupils who attend every morning as part of our provision.

We are looking for someone who:

- Is nurturing, creative and passionate about learning whilst being flexible and committed to contributing to all aspects of life in our school.
- Has knowledge and experience of the EYFS curriculum and/or Key Stage 1, in particular experience with the teaching of phonics.
- Has high expectations and standards of teaching, pupil achievement and behaviour.
- Displays the ability to create an excellent learning environment and is fully supportive of our 'what matters at Mattersey' ethos and a strong team player.
- Will work with the other staff to contribute to the subject leadership of the curriculum through school from EYFS to Year 6.
