We are looking for an experienced Early Years Foundation Stage/Key Stage One class teacher, keen to be part of a committed and supportive team of staff, who nurture, inspire and contribute to making our school such a happy and popular hub of the community. The role is on a part-time basis, working across 2.5 days per week (16 hours).

We are looking for someone who:

- Puts children at the heart of everything;
- Is passionate about delivering high quality teaching and learning for all;
- Is reflective and wants to develop and improve their practice;
- Is keen to be part of a happy, friendly and successful team;
- Wants to be part of our thriving and supportive community;
- Is seeking opportunities to develop into middle leadership roles;
- Is nurturing and will support our children to reach their full potential academically, socially and emotionally.

Greenvale is a one form of entry school, situated on the outskirts of Croydon on a large site with extensive outside green space. The school benefits from having a Forest School and close relations with The ARC, an exotic animal centre who run educational sessions for children. We pride ourselves on the high expectations and strong family atmosphere.

We have a very experienced and committed staff who are always keen to develop themselves and provide support to colleagues where necessary. We offer lots of opportunities to develop your career as a teacher and a leader through local CPD and links with schools both in the UK and abroad.

We achieved 'good' in our last Ofsted inspection in May 2023. The inspector picked up on our strong family ethos. Other key highlights were that '*Pupils know that staff are here to help them do their very best*' and described the school as a place where children can learn and have fun. A peer review conducted in April 2025 stated that 'staff are proud to work here' and that there were no limits to what pupils at our school can achieve.

Visits and/or a phone call to the school are strongly recommended before applying and you are also welcome to contact us for an informal discussion about this post prior to application.
