EYFS lead required for September 2023

Start date: 1st September 2023

4 to 5 days a week 0.8 - 1.0FTE (MPS / UPS with a TLR2)

Hours and days by discussion and negotiation

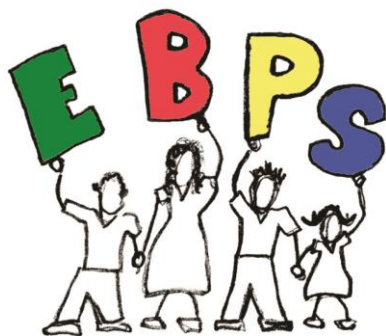

Are you an enthusiastic and committed Early Years teacher? Due to our Early Years Lead Teacher taking a promotion in a new school, we are looking for an experienced Early Years phase leader to join us in September. The successful candidate will be responsible for driving forward our vision for EYFS to ensure excellent progress for our children.

Would you like to teach in a setting that offers all children a nurturing environment where they flourish and achieve high standards?

Do you value being part of a supportive team that offers quality professional development to ensure you have opportunities to continually move forward in your career? We are a 3 form-entry school and our year group teams have joint PPA for one afternoon per week.

We are a **good** school (Ofsted, March 2018) set in an expanding rural setting with an intake of up to 75 children per year. The governors and staff are committed to providing an education of the highest quality which is broad and balanced. We are a large village school with lots of important traditions and are also outward-looking and future-facing; trying to prepare our children for success in an ever-changing world. We promote the highest levels of citizenship so that children can go forward with an independent love of learning and a tolerant appreciation of others that will stand them in good stead for the rest of their lives. We achieve this by having the following values at the core of our ethos: Self-belief, Honesty, Respect, Excellence and Kindness and we place an emphasis on the importance of fostering good relationships.

Our three Reception classes have 23 children in each, supported by a teaching assistant. In addition, three children in Reception have 1:1 support full-time. Our Reception leader will line manage the two Reception teachers, one HLTA and six TAs. Over the summer, we created a “new” classroom enabling us to run a fully freeflow setting indoors and outdoors. We have worked hard to improve our EYFS environment indoors and outdoors and this is one of our three main School Development Priorities for the year ahead.

In late 2023, the local authority will commence a £1.5 million extension to our school and create a brand new EYFS block of three classrooms which will link the former Infant and Junior school buildings. This is an exciting time in the development of the Early Years phase at Earls Barton and we are looking for a strong leader who has the vision, energy and commitment to lead on this expansion and help to ensure our school is strongly placed to entice families in and maintain our three-form entry, single-age classes into the future and provide the solid foundations children need to thrive throughout their primary school years.

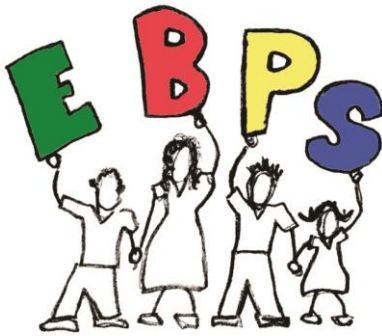

We have a strong pastoral team to support the children and to allow teachers to concentrate on teaching! Our Inclusion Lead is full-time and non-class based and leads a Behaviour and Well-being Lead; Family Support Worker; Behaviour Support Assistant; Nurture Group and Emotional Literacy Support Assistant.

We work on Microsoft Teams to share planning and resources and we are developing our systems to be more efficient and paperless! We are investing in technology for children and staff and are looking to enhance our children’s digital skills.

As a school, we have been working hard on our curriculum maps for the last two years and these are all now in-place and being implemented consistently. We use Rosenshine’s Principles of Instruction to underpin good quality teaching of age-appropriate knowledge and skills. We teach the foundation subjects discretely, making links where they enhance the curriculum. We follow Talk for Writing, White Rose Maths, Jigsaw PSHE and use Charanga for music. We place reading at the heart of our curriculum and follow the Read-Write Inc. Scheme for teaching phonics and use Accelerated Reader for all children who can access it.

Parents are highly supportive of the work of the school and we have lots of parents and other volunteers to help with reading and clubs.
