The Coppice Primary School, Shawhurst Lane, Hollywood, Birmingham B47 5JN

The Coppice is one of the top performing schools in the area. We are annually over-subscribed, being a hugely popular school. We have a great reputation for being a warm, welcoming and supportive school. Though in a semi-rural part of Worcestershire, we closely border Birmingham and Solihull. We are looking to appoint a dedicated, talented Class Teacher who is committed to developing their teaching through research-informed practice. This is an exciting time to join our school as it continues its development under a new Headteacher and Senior Leadership Team.

Benefits of joining our team:

- A new, exciting and well-designed curriculum to deliver to our children.
- There is great support for any newcomer from both the Senior Leadership Team and your Year group colleagues. As we are a three-form entry school, you will be working with a team of experienced staff who will assist with planning, preparation and assessment.
- Our children are lovely, well-behaved and very motivated to learn.
- Being a large school, there are opportunities for career development.
- We place a high degree of importance on the professional development of staff. For example, we are a member of The National College that all staff have access to and we subscribe to Teaching 'Walkthrus' which is used as a basis for much of our teacher development programme.
- Staff laptop for every teacher.
- We offer a subsidised BUPA membership

If you would like to visit our lovely school, please contact the Headteacher: Billy Hutt, via our school office at office@coppice.worcs.sch.uk.

For further information, please visit our website (www.coppice.worcs.sch.uk).

The Coppice Primary School is wholly committed to safeguarding our children, and, as part of this, the successful candidate will be subject to enhanced safeguarding checks.

Closing date: Monday 23rd May 2022 (though, we would welcome applications any time before this date). Just download and return the application form.

Shortlisting will be on Tuesday 24th May and Wednesday 25th May. Candidates selected for being observed and interviewed will be notified on Thursday 26th May.

Observations will take place on Wednesday 8th June and Thursday 9th June and where possible, these will take place in the candidate's own school with a Reception class. However, in the case of current teaching students, if your placement is not in Reception, we can arrange for you to teach a Reception class at The Coppice on the agreed observation dates.

Interviews and short, Class Teacher scenario-based tasks will take place on Friday 10th June.
