Beaconside Primary and Nursery School is an OfSTED rated good school sitting on the outskirts of Birmingham. We enjoy a semi-rural position on the northern slopes of the Lickey Hills. The school site is one of its most enviable resources comprising wooded slopes, a large playing field, three playgrounds and a deciduous coppice of approximately one hectare. We are a one-form entry primary school with provision for 8 additional children in our Mainstream Autism Base. We are a friendly, supportive and hardworking team with high expectations of ourselves and the children. We are passionate about education and are excited at the opportunity to support the development of an apprentice whilst enhancing our existing good Early Years provision.

Beaconside presents a unique opportunity to start a career working in a school. You will receive comprehensive training throughout the apprenticeship and on-going support from our dedicated team.

Whilst on the TA apprenticeship, you will work closely with children in their learning and development. You will help to plan and carry out activities and lesson plans to motivate children and help them learn through inventive and imaginative use of resources.

At the end of your apprenticeship you will achieve the nationally recognised qualification, as well as valuable work experience, that will provide you with the best chance possible of being offered a full-time role within a school or in another setting.

Beaconside is committed to promoting and safeguarding the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be required to undertake an Enhanced Disclosure via the Disclosure and Barring Service.

The school values diversity and has an equality policy to ensure that all applicants are treated fairly and that an appointment is only made on the grounds of suitability.

Closing date for applications: 9th June

Interviews: 23rd June

Start date: Wednesday 6th September
