Welcome to Our School

Welcome to Roche.

At Roche we believe that children have a right to a safe, happy, varied and challenging learning experience. Every individual child matters and all children have abilities and potential which must be realised. Within this context, commitment, self-responsibility, honesty and respect are the key personal qualities which we value from all members of our school community and that we feel are essential to success in later life.

These qualities are embodied in our school rules;

- Show good manners at all times
- Follow instructions with thought and care
- Care for everyone and everything

As a school we feel that the drive for progress is everything. We acknowledge and reward effort and consistently encourage children and ourselves to achieve more and look forward to the next challenge.

We promote reading throughout our curriculum and ensure that the development of reading and the opportunity to engage with and enjoy reading is prioritised.

Our Curriculum delivers the scope of the National Curriculum but also reflects our school context. We utilise opportunities to develop core skills of reading and writing throughout curriculum subjects.

Our relentless drive to raise standards in English and Maths are at the heart of our approach to teaching and learning, reflecting the needs of our children in preparation for the future.

We endeavour to raise children's understanding of Wellbeing. We want children to understand the importance of physical and mental good health, how they can achieve and maintain this themselves and look after others. We link learning in PSHE with PE and promote our '5 ways to wellbeing' through assemblies and activities throughout school.

All children in school take part in PE every day. This forms part of their understanding of their own physical and mental health and well-being. We pride ourselves on being an active school!

We believe in working together to reach our goals.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.

Shortlisted candidates will be required to complete a Safeguarding Self-Declaration Form as part of their application. We will also carry out online searches as part of our due diligence on the shortlisted candidates, as updated in the Keeping Children Safe in Education recommendations. This may help identify any incidents or issues that have happened, and are publicly available online, which the School or Trust might want to explore with the candidate at interview.

Successful candidates will be required to complete a Disclosure and Barring Service (DBS) application and Health Assessment form as part of their pre-employment administration. By virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975, Section 4(2) of the Rehabilitation of Offenders Act does not apply to this application as the post involves substantial opportunity of access to children. This means that you may not withhold information about previous convictions, cautions, reprimands, bind-overs or warnings on the grounds that it is otherwise 'spent'. All criminal convictions must be declared. Failure to do so may result in your application being disqualified or, if discovered after appointment, may be regarded as grounds for dismissal.
