A message from our Executive Headteacher

I am delighted to have been appointed to the position of Executive Headteacher from September 2024. We are journeying through an exciting and changing time for our Federation of three schools. Each of our schools are small Primary Schools with a warm, family feel. We have 5 classes with split year groups. Our schools work closely with each other across the Federation, and we embrace opportunities to work with other schools in the LA and Diocese. As a teacher at Corpus Christi, you will be joining a wonderful, supportive team who are always working hard to support the community they serve. You will be supported by the Head of School and myself to create an immersive, engaging and fast-paced learning environment for our children. We are looking for a teacher who will nurture and develop the children in their care to ensure they have the best possible education during their time at Corpus Christi. We would relish the opportunity to show you around our wonderful school, tell you more about the school and answer any questions you may have.
