Letter from Catherine Paine, Chief Executive Designate

Dear Candidate

Thank you for your interest in this role within the REAch2 Academy Trust.

This is a hugely exciting time for our family of schools. The Trust has been recognised by the Department for Education as being well placed to raise standards and achieve excellence for pupils in a growing number of schools nationwide. We are presented with a rare opportunity to make a real difference to the lives and life chances of so many primary school children – many of whom haven't previously received the educational opportunities they deserve.

The Trust includes schools at all stages of development, from those requiring significant improvement through to existing outstanding schools. As a Trust we are clear about the importance of achieving long term sustainability for our schools. Our vision is to enable individual academies to flourish with real autonomy, whilst also ensuring a strong ethos of support and collaboration across our schools.

Employees within REAch2 belong to a national community of professionals, and benefit from a wide range of networks and development opportunities across the Trust. In time, our best teachers are able to work across schools, develop specialisms and step up to leadership roles within and beyond their own academy. The Trust provides a strong culture of collaboration and support, together with high expectations for staff and pupils alike.

Those we recruit are able to demonstrate that they share our values, are highly motivated to work with colleagues within and beyond their school to continuously develop their skills and pursue professional excellence and are committed to providing the highest standards of teaching for all children. If that is you then we would be delighted to receive your application.

Catherine Paine

Chief Executive Designate, REAch2 Academy Trust

Letter from Mr Akhtar, Headteacher, Concordia Academy

Dear Candidate,

Children have only one chance at receiving a quality education and it is the job of everyone at Concordia Academy to ensure that it is the best it could possibly be. We have an ambitious and dynamic vision for our school that includes setting a record of high-quality outcomes for all of our students.

Our school is underpinned by a blend of values such as respect, hard work and high expectations, coupled with innovations in relation to teaching and learning. We work together to embed a culture of success, high aspiration and reflection in which children can thrive and achieve. We want our students to have the confidence and knowledge to not just live but prosper in a modern, ever-changing society. We will equip them with the skills to succeed and the understanding that will enable them to make the most of the opportunities that they are given.

We are forward thinking in all we do. Our children will study a modern and innovative curriculum, our staff will have access to the very best and latest professional development that has the greatest impact on learning, and our school will be housed in outstanding facilities that are high-tech and custom built. Our goal will always be to improve on what we have done before.

As the headteacher of this vibrant, new school I am delighted to welcome you and I hope you will join us on our journey.

Mr Akhtar

Headteacher

Our Cornerstones and Touchstones

REAch2 is the Cornerstone of the Trust: providing a strong, responsible foundation from which every academy develops and grows. A cornerstone provides a subtle yet paramount role in the construction of a building and ensures that REAch2 is a trustworthy, accountable and inspirational organisation, delivering the best possible learning experience.

REAch2 is defined by the values of **excellence, quality, delivery and standards** – these features give the Trust its enduring attributes and its inherent reliability.

However, what gives each REAch2 Academy its uniqueness are the Touchstones of the Trust (seen on the right). Just as 500 years ago touchstones were used to test the quality of the gold they marked, so too our touchstones find what is precious and set these things apart. They are used to express the values and ethos of the Trust and describe what the Trust wants to be known for and how it wishes to operate.

With good **leadership**, we aspire to develop children academically, emotionally, physically and spiritually. We notice talent and spot the ‘possible’ in people as well as the ‘actual’. Developing potential across our Trust becomes a realisation that there is a future worth pursuing for everyone.

Children deserve **enjoyment** in their **learning** and the pleasure that comes from absorption in a task and achieving their goals. Providing contexts for learning which are relevant, motivating and engaging, release in children their natural curiosity, fun and determination.

Inspiration breathes energy and intent into our schools: through influential experiences, children can believe that no mountain is too high and that nothing is impossible.

REAch2 serves a wide range of communities across the country and we celebrate the economic, social, cultural and religious diversity that this brings: embracing **inclusion** ensures that we are a Trust that serves all, believing that everyone can succeed.

We take our **responsibility** seriously. We act judiciously with control and care. We don’t make excuses, but mindfully answer for our actions and continually seek to make improvements.

REAch2 is a Trust that has a strong moral purpose, our **integrity** is paramount. Our mission is to change children's lives by providing the very best quality education we can. Through this, children can fulfil their potential, become happy, successful adults and contribute effectively and meaningfully to society. We welcome the fact that all our decisions and actions are open to scrutiny. You can learn more about REAch2 at our website: www.reach2.org
