We are delighted that you are considering applying for the EYFS Teaching Assistant at St. Joseph's Catholic Primary School, within the St Francis Catholic MAT. This is a truly exciting time to be joining St Francis as a new Catholic Trust of 13 schools, growing to 24 schools in line with the Bishop of Hallam's vision for education.

St. Joseph's is based in the town of Dinnington, South Yorkshire. Our school received a good Ofsted rating in May 2021 and has increasing popularity and growing numbers on roll. We are a warm and welcoming school where every member of the community is valued and celebrated as an individual with unique qualities, gifts and talents. Our Catholic values and ethos permeate all aspects of school life, and our core values (Faith, Aspiration, Effort and Respect) are at the heart of all we do.

We are part of the St. Francis Catholic Multi Academy Trust and as such are part of a community of schools who come together to share and develop our practice. As a Trust which is committed to talent spotting, nurturing and progression, this role would suit those looking for significant future development.

This is an exciting opportunity to join our team as a member of staff, to develop both personally and professionally, and to play a significant role in the continued success and ongoing development of our school.

**We are looking for someone who:**

- Is experienced in using Makaton and implementing effective use of this throughout school
- Experience implementing strategies for communication interaction throughout all year groups
- Has experience of the SALT referral processes
- To be able to build effective relationships with parents and external agencies

Whilst the above criteria is preferable, training can be provided for the right candidate.
