

## Person Specification – Cleaner

Location: Ordsall Primary School

We are looking for someone who takes pride in their work and wants to be part of a supportive and valued team. You don't need school cleaning experience — just the right attitude and a willingness to learn!

### What We're Looking For:

Essential	Desirable
Friendly, reliable and hardworking	Previous cleaning experience (in any setting)
Able to work well as part of a team	Knowledge of cleaning products and equipment
Takes pride in maintaining a clean and tidy environment	Experience of working in a school or similar environment
Trustworthy and understands the importance of confidentiality	Understanding of health and safety and hygiene standards
Willing to follow instructions and training	Basic understanding of safeguarding (training provided)
Committed to keeping children safe and following school safeguarding policies	
Punctual and able to manage time well	

### We Will Provide:

- Full training and induction
- Ongoing support from our Site Team and School Office
- A welcoming and friendly school community
- All necessary equipment and cleaning supplies
- Safeguarding and health & safety training

This role would suit a parent, carer or local resident looking for a part-time role that fits in with school hours. If your child attends Ordsall Primary School, they can attend our **After School Club for free** while you are working.

We are proud of our school and the team that keeps it looking its best – come and be part of it!
