Welcome

Dear applicant

Thank you for expressing your interest in the post of Faculty Director of Science at Windsor High School & Sixth Form.

Windsor Academy Trust (WAT) is an inspiring and exciting place to work. We are a leading multi-academy trust with 15 excellent primary and secondary schools. We are a team of 1,300 passionate, dedicated and innovative staff who every day make a difference for 9,000 children through our unwavering focus on unlocking our children's academic and personal potential.

We want our young people to become all and more than they ever thought they could be and we are inspired by the transformative role our talented staff team plays in shaping our children's lives and futures.

We have an exciting strategy that builds on our hugely successful first decade and powers us into the next. Our 'five big moves' drive academy transformation boosted by digitally enriched learning, building staff talent, transforming communities, ensuring we are sustainable and an environmental force for good and reach beyond our own schools to shape and influence the school trust system. Windsor Academy Trust is a strong trust highly regarded regionally and nationally. We are proud to be the 'environmental trust of the year'.

We are exceptionally proud of Windsor Academy Trust's reputation as a great employer and being a case study in a book on multi-academy trusts

written by Sir David Carter, the previous national schools commissioner, in a chapter titled: 'why should anyone work for you'. We are also very proud of the track record we have for staff professional development across the region and have recently been announced as an Associate College for the National Institute of Teaching.

There is an excellent culture of collaboration and unity of purpose across the family. This is something we cherish and nurture and is a strong feature of our day to day work and a constant focus for us all. We support all of our staff to help them grow and develop their knowledge and skills, alongside offering a wide range of benefits and an outstanding working environment. There is a substantial professional learning offer for both teaching and professional services staff.

As we advance to the next stage of our family's growth and development we are seeking to appoint a Faculty Director of Science.

If you believe you have the passion, expertise, and vision to join us on this journey, I invite you to be part of our story, our legacy, and our future. Together, let's shape the future.

Yours sincerely

Dawn Haywood
Chief Executive Officer

What makes WAT WAT?

The Windsor Academy Trust family

Windsor Academy Trust (WAT) is a family of schools committed to unlocking students' academic and personal potential.

We put children at the centre of everything we do, delivering excellent education to 9,000 students aged two to 18 driven by 1,300 committed, inspiring and talented staff.

Established in 2011 with Windsor High School and Sixth Form, our family has grown to fifteen successful schools. We currently have seven primary and eight secondary schools all located within one hour of each other. Our family reach will be expanding with further plans for growth.

Why we exist:

A shared moral purpose

We exist for one shared moral purpose to unlock academic and personal potential.

We want our students to aspire and to become all and more than they ever thought they could be. Students who know who they are and the sort of person they want to be; students who have discovered their passions; students who have high hopes and dreams for their futures

and a clear sense of purpose; students who want to make a difference in their communities and in the world and therefore students who understand the importance and value of education as a powerful driver for the greater good.

The WAT Aspire Mountain, developed for our students, depicts a student at the summit of the Aspire Mountain where their academic and personal potential has been unlocked.

WAT equips students with the compass, empowering them to navigate their way to their summit. The four points of the compass are:

cultural capital, power social mobility and enable all students to thrive and make a difference in their communities and the world.

How we do things: WAT Values

Everything we do is underpinned by five values:

- **Pride in Excellence:** We have high expectations and work hard.
- **Respect:** We behave with integrity and honesty and foster equality.
- **Responsibility:** We all take personal and collective responsibility.

knowledge, skills, values and attitudes. WAT puts the compass in the student's one hand and the world in the other.

What we do

We develop high-performing schools that raise aspirations, inspire learning, build character and

- **Collaboration:** We purposefully collaborate for the benefit of all.
- **Bold/innovative:** We are future thinking and shape the future.

How we succeed: WAT Approach

Alongside our values we have five components of the WAT Approach to accomplishing success that are embedded in our Powering into the Second Decade Strategy.

- **Alignment through collaboration** - The 'WAT Way' sets out our codified approaches. These codified approaches are developed collaboratively and are grounded in research and informed by impactful practice
- **Inspire and develop people** - We inspire and develop people and continuously strive for excellence
- **Grounded in research** - We are consumers and generators of research and our approaches are informed by research
- **Keep things simple and communicate clearly** - We ensure our message is understood and over communicated
- **Civic and system leadership** - We collaborate, support others and make a real difference in our communities and to the education system expectations and work hard

WAT Strategy: Our 'Five Big Moves'

We have identified five big moves we will make through our Powering into the Second Decade Strategy.

01 /

Big Move One

Develop **high performing schools** where every student unlocks their academic and personal potential

04 /

Big Move Four

Instil an ethos and ability to care for the natural environment now and in the future, to become carbon neutral and one of the most **sustainable** school trusts in the country

02 /

Big Move Two

Build staff talent by developing inspiring, research informed staff

05 /

Big Move Five

Expand the **WAT family reach** through support for other schools and trusts and through sustainable growth

03 /

Big Move Three

Drive education for the greater public good to create social value and deliver **civic** impact

The graphic below illustrates 'What Makes WAT WAT'. It outlines our aims, values and the five big moves that enable us to unlock academic and personal potential.

Our values are at the heart of everything we do, and a way of working that inspires us to achieve our aims. Our five big moves are the turbo boosters that focus our efforts and drive us to succeed. Collectively, this provides a clear vision and shared understanding that is displayed across the WAT family every day.

Benefits of Working for WAT

Cycle to work scheme

For those who do not live too far from work, cycling instead of driving or taking public transport could be a good option to save on travel costs. Our cycle to work scheme helps WAT employees to purchase a brand new bike and spread the cost over 12-18 months. To find out more, visit [The UK's Most Popular Cycle to Work Benefit - Cyclescheme](#).

Pensions

As a staff member you have access to the Local Government Pension Scheme and Teachers' Pension Scheme - both generous schemes with the employer contributing up to 20% plus. This also provides a death in service benefit of 3 times your salary.

Reduced childcare costs

For working parents, childcare costs can be a significant financial burden. However, there are some solutions available to staff that may help ease short-term financial pressures around childcare. You may be eligible for the Government's tax-free childcare scheme. Find out more by visiting [Tax-Free childcare at gov.uk](#). Should you need them, flexible working and paid time off for caring responsibilities policies are available upon request. Visit the [Policies and Procedures](#) section on the WAT website for full details.

Local Credit Union

WAT is now a partner employer with Castle & Crystal Credit Union based in Dudley. They are a not-for-profit financial co-operative who provide affordable loans and secure savings for all who live or work in the West Midlands. Loans repayments can be made directly from your salary.

Free flu vaccinations and eye tests

For a number of years, WAT has provided free flu vaccination vouchers so that you can protect yourself over the winter months. We also provide free eye tests for display screen equipment users, which applies to the majority of our employees.

Pay progression & career pathways

As well as any nationally agreed pay award (a salary increase linked to inflation), our employees have access to pay progression according to their grade.

We offer a number of career pathways from teaching and other classroom based roles to administration and IT. If you're interested in progressing on your career journey or taking a new career pathway, you should discuss this further with your line manager at your annual appraisal.

Employee Assistance Programme

WAT has signed up to an Employee Assistance Programme with the Education Support Partnership which provides a support line to access a range of practical and emotional help 24/7, including counselling sessions, financial, legal and practical support from qualified professionals on a range of personal issues as well as access to online health and wellbeing resources and a specialist information service. Please call 08000 856 148.

Food and leisure discounts

WAT has signed up to access Vivup - the leading wellbeing and benefits provider to the public sector - meaning our employees can benefit from lifestyle savings on films, leisure activities, dining out, family essentials and many more popular categories. This will be launched early in the new year.

Continual Professional Learning (CPL)

WAT has developed exceptional teachers, leaders and professional services staff in schools for over a decade. We have an excellent reputation for delivering outstanding and innovative professional development for teachers, leaders and professional services staff at all levels, across the Midlands and beyond. Our professional development offer ranges from Initial Teacher Education, to the Early Career Framework as well as leadership development programmes such as National Professional Qualifications (NPQs) as well as networking groups for a number of roles.

3. Responsibility Structure

- Ensuring the responsibility structure within the Faculty supports maintenance and improvement of standards.
- Ensuring the successful completion and delivery of delegated tasks and responsibilities.
- To oversee the work of trainee teacher programmes within the Faculty.

4. Curriculum

- To be proactive in leading curriculum development and initiatives at national, regional and local levels.
- Responsibility for leading the Faculty's curriculum planning, syllabus selection, incorporating "whole-school" policies and contributing to relevant units or components of other subjects, syllabuses or cross curricular programmes of study as may be required.
- Responsibility for ensuring up-to-date schemes of work are maintained for use internally and externally as required and monitoring how schemes of work are implemented and regularly reviewed to maximise their effectiveness.
- Responsibility for advising on and developing teaching approaches used by the subject teams, the development and selection of suitable materials and advising on classroom management appropriate to the relevant subject matter.

5. Assessment, Examinations, Reporting and Evaluation

- To be proactive in leading assessment development and initiatives at national, regional and local levels.
- Establishing and overseeing Faculty's examination policy and both internal/external assessment procedures, in accordance with School policy.
- Ensuring the effective administration, smooth running of external exams and ensuring exam board requirements are met by liaison with Examinations Secretary.

- Providing information to Headteacher, parents and colleagues about the work of the Faculty and students progress in accordance with school policy.
- Interpretation of exam analysis, subsequent action planning and establishing the process for target setting and monitoring progress towards targets set.
- Overseeing relevant students' subject report formats and collecting a portfolio of good practice to share with other staff/inform new staff.
- Ensuring effective moderation procedures are in place and a portfolio for exemplification of standards is maintained.

6. Organising Learning

- Allocating students to teaching groups in liaison with members of the Faculty according to school policy.
- Maintaining up-to-date staff/teaching group lists informing the Deputy Headteacher (Curriculum) of any changes when made.
- Liaising with the Deputy Headteacher (Curriculum) on the construction of the Timetable and appropriate Options information.
- Responsibility for the management and conduct and behaviour of students within the Faculty and supporting colleagues within the Faculty to ensure learning is maximised.
- Ensuring Cover Supervisors and supply staff are supported in providing appropriate learning opportunities when Faculty staff are absent.
- Monitor and evaluate provision of SEN support and liaising with SENCO.
- Monitor and evaluate the provision and progress for G & T students.
- Monitor and evaluate the arrangements, objectives and outcomes of educational visits.

7. Resources

- Controlling Faculty expenditure and budgetary planning.
- Overseeing the usage, storage and security of equipment, materials and other resources and ensuring the learning environment and facilities maximise learning.
- Preparing a Faculty bid for capitation or other funding opportunities.
- Devising systems for maintenance of Faculty inventories and stock records according to school policy.

8. Health and Safety Act

- To ensure that Health and Safety Policies and practices, including Risk Assessment, throughout the Faculty are in line with school policy and updated when necessary.
- Having delegated responsibility for the implementation of the Act and reporting any issues and recording concerns via Faculty meeting minutes.

Specific Faculty Responsibilities:

- To lead and direct the work of the Technician team to ensure learning is supported.

General

- Contribute to the overall ethos/aims of the academy
- Participate in training, other learning activities and performance development as required.
- Attend and participate in relevant meetings as required.
- The post holder is required to be aware of and comply with policies and procedures relating to child protection, equal opportunities, health and safety, security, confidentiality and data protection, reporting all concerns to the appropriate person.
- The post holder has a responsibility to safeguard and promote the welfare of children and vulnerable adults during the course of their work. This post requires the post holder to undertake an Enhanced DBS check.

Please note that this is illustrative of the general nature and level of responsibility of the work to be undertaken. It is not a comprehensive list of all tasks that the post holder will carry out. Safer Recruitment In Education: Information For Applicants

- WAT is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.
- We have a number of policies and procedures that contribute to our safeguarding commitment, including our child protection policy which can be viewed at windsoracademytrust.org.uk/governance.
- It is an offence to apply for the role if you are barred from engaging in regulated activity relevant to children.
- Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare.

- We will ensure that our concerns are discussed with parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare.
- We actively support the Government's Prevent agenda to counter radicalism and extremism.

What we will provide:

All applicants for all vacant posts will be provided with:

- a job profile outlining the duties of the post; including safeguarding responsibilities.
- a person specification which will include a specific reference to suitability to work with children.

All applications for employment will be required to complete an application form online, containing questions about their academic and full employment history, and their suitability for the role.

In addition, all applicants are required to account for any gaps or discrepancies in their employment history.

Leading Academy Trusts: Case Study

People are our most precious resource. We are proud of how we support, develop and retain the best staff to enable our children to unlock their academic and personal potential.

We strive to be an employer of choice and feature as a case study in Sir David Carter and Laura McInerney's book, *Leading Academy Trusts: Why some fail, but most don't*. You can read the case study below.

- It is an offence to apply for the role if the applicant is barred from engaging in regulated activity relevant to children.
- An enhanced DBS check is required for all successful applicants.
- Prohibition, overseas and section 128 checks will also be completed if necessary.

Child Protection and Safeguarding Policy

View our Child Protection and Safeguarding policy at windsoracademytrust.org.uk/policies

People are the most precious resource that a multi-academy trust has, and so core to the philosophy of Windsor Academy Trust (WAT) is to be an employer of choice - recruiting, supporting, developing and retaining the best staff so that we can provide the best experience for our children, enhancing their academic and personal potential. WAT is a family of nine schools - four secondaries and five primaries in the West Midlands - all within 45 minutes' drive of each other, enabling us to create meaningful collaborations at every level.

One of our core strategic aims focuses on people and leadership to ensure that there is a steady pipeline of excellent and talented staff who have both the capacity and capability across our trust to drive school improvement and create our own self-improving system. But what does this look like in reality?

Our pipeline of excellence starts with our sixth formers. Some of our students know they want to become teachers from a very young age. Many of them have parents and family friends who teach and are role models for them. We help them to prepare for this journey with our "Aspiring Educators" programme. This involves two terms of learning and development that focus on the skills of teaching, the routes into the profession and a series of visits and practical experiences to help them understand how they can make a smooth transition into teacher training.

We have strong strategic partnerships with a focused number of excellent initial teacher training (ITT) providers in the West Midlands. They each have innovative ways to attract teachers - a school experience placement as part of a biochemistry degree or partnership with a French university for prospective MFL teachers, for example. These initiatives, combined with WAT's 'incubator departments' (excellent departments across the trust where there is the best capacity to train and support early career teachers), mean that our conversion rate of great trainees to fabulous NQTs is growing year on year.

Induction, whether for NQTs or established teachers, is paramount, and we run a series of introductory sessions to explore the WAT ethos and vision and our approach to pedagogy and

curriculum. Our aim is to accelerate every new employee towards a successful settling-in and a good awareness of what it means to work in a multi-academy trust. Development of the craft of teaching is central and continuous, in every school, every day. We have a culture of focusing on strengths, not weaknesses, and we want everyone to begin with this in mind. The profile of the wider WAT opportunities is raised early on too, with rapid opportunities to engage in cross-trust collaborative activities to build a collegiate mindset.

Our 'pedagogy champions' are one such opportunity: 30-40 excellent teachers and support staff who engage with educational research, not just as consumers, but as generators of new evidence. We ensure they all have access to the fabulous research resources that are available from our partnership with the Chartered College of Teaching, and they select 'wicked problems' across education to explore and identify workable and effective solutions for.

The impact of these practitioner-researchers is published annually in a research journal and iteratively becomes more scalable and transferable across schools, year groups and subject areas. Some of these researchers will go on to join the next cohort of master's students, following in the footsteps of these groundbreaking staff who are part of the University of Birmingham's master's level apprenticeship programme tackling trust-wide challenges and earning an MED in Educational Leadership over two years.

Leadership development is a key focus that enables staff from our family of schools to grow their capacity and also develop alongside delegates from partner schools in the locality. We have a progressive pathway of leadership development. This starts with 'First Steps', looking at one's own readiness for leadership, through preparation for aspiring middle leaders, to the National Professional Qualifications for Middle and Senior Leadership for which we are an accredited provider, and onwards supporting heads and executive leaders on programmes such as Ambition Institute's 'Executive Leader' programmes.

All of our staff know that they have a varied pathway of development opportunities and they feed this back to us in staff surveys. This in turn forms a key part of our succession planning and talent-mapping activities. We also have cross-trust roles which are available to talented staff so that they have the opportunity to spread their magic.

“We also have cross-trust roles which are available to talented staff so that they have the opportunity to spread their magic.”

Directors of subject and lead practitioners develop common curriculum approaches across the trust and spread their subject-specific expertise.

The WAT Associate role enables talented staff to take a sabbatical (one day per week for a year) from their teaching to bring their talents to key developments such as enhancing the trust’s Google strategy or embedding character education. This generates fresh and innovative approaches and encourages staff to have an outward-looking perspective, building system leaders of the future.

Staff across Windsor Academy Trust explore together and share together in a multitude of ways. A culture of collaboration and celebration allows everyone to experience high expectations and this helps excellence to travel.

One significant moment that demonstrates this is the WAT Conference. On this day, the whole family comes together - every member of staff, in every role, sharing our common moral purpose and vision. We have the opportunity to experience world-class speakers and some of the best of the collaborative work going on across our schools. For our staff, this is a significant opportunity to listen and to contribute to the broader staff experience in a high-class conference venue.

Staff feel valued when they are invited to share a successful or innovative strategy they have been responsible for. We also use this time together to recognise those staff who have gone above and beyond in all they do. We do this through our WAT awards, which publicly share the success not only of the winners but also of the many nominees put forward by their schools.

When asked if there was anything he would have done differently in his glittering career, the Duke of Wellington replied, ‘Yes, I should have given more praise.’ We celebrate success because professional recognition is so important for all who work in education and we want all our staff to model praise with our children and young people.

“A culture of collaboration and celebration allows everyone to experience high expectations and this helps excellence to travel.”
