**Salary:** M1 - U3, £28,000 - £43,685 FTE Salary per annum

**Working hours:** 32.5 hours

**Contract type:** Permanent

**Start date:** September 2023

We wish to appoint a motivated and enthusiastic Teacher of Design & Technology to join our innovative Faculty of Science, Innovation & Creativity. The pupil outcomes in Technology in 2022 were exceptional and reflect the outstanding calibre of our staff. The successful candidate will also be an outstanding Teacher, able to teach high quality lessons across the age and ability range. This position would also be suitable for an outstanding ECT wishing to begin their career as part of a supportive, collaborative and forward thinking subject team.

#### **The successful candidate will be:**

- Professional, creative, flexible and innovative with the drive and determination to successfully contribute to whole school improvement.
- A dedicated team player who develops excellent relationships with learners and colleagues.
- An individual who communicates clear expectations, leads by example and always promotes positive behaviour for learning.
- Willing to fully support and always uphold the policies and positive ethos of the school.
- Willing to participate in personal continued professional development.

Madeley School has an excellent reputation locally and is oversubscribed. Our OFSTED report in December 2019 praised pupils' exceptional attitudes to learning in a school where they achieve strong outcomes. This exemplary behaviour across the school allows teachers to support students in making outstanding progress as well as mastering their own pedagogy.

Madeley School is an academy within the Shaw Education Trust. The Trust is led by an Executive Leadership Team steeped in school leadership and improvement experience: [www.shaw-education.org.uk](http://www.shaw-education.org.uk). They are committed to the continued professional development of all members of staff and the sustained successful performance of all its academies. The successful candidate will be joining a department that delivers outstanding results. In 2022 80% of students achieved a grade 4 or above and 57% grade 5 or above, and 27% grade 7 or above. Our Technology Progress 8 figure of 0.78 places the department amongst the top performing schools nationally. The Technology team are committed to continue to develop, therefore there are numerous CPD opportunities within the department including lesson visit enquiries and sharing best practise. The department also benefits from having industry standard facilities, a vibrant enrichment and extra-curricular offer and teaching staff who have had their practice recognised at a national level.
