Make a Difference Where It Matters Most

At Stanley Grove Academy and across Accomplish MAT, we are building something exceptional: a community where every child is seen, heard and enabled to succeed-no matter their starting point.

We are seeking a highly driven, emotionally intelligent, caring and relentlessly committed professional to take on a pivotal dual role- one that sits at the intersection of pastoral excellence, family partnership and system-wide impact.

Our Values in Action

At Accomplish MAT, everything we do is shaped by three powerful commitments:

- **Care** – We place relationships at the heart of everything, ensuring every child and family feels safe, valued, and understood
- **Empower** – We equip children, families, and colleagues with the confidence, skills, and agency to thrive independently
- **Celebrate Uniqueness** – We recognise and champion individuality, embracing diversity as a strength and ensuring every voice matters

The Impact You Will Have

At Stanley Grove Academy (4 days per week)

You will be a **catalyst for transformation**:

- Deliver bespoke, high-impact interventions that significantly improve pupils' wellbeing, confidence, and engagement
- Support children navigating complex social, emotional, and behavioural needs, including SEND and anxiety
- Support families and actively signpost families to additional, external support and drive multi-agency work in the school.
- Build deep, trust-based relationships with families, empowering them to sustain positive change
- Champion inclusive practice, ensuring every child's unique identity and needs are recognised and celebrated
- Influence and support staff practice and contribute to a culture of uncompromising safeguarding and wellbeing
- Work with senior leaders to identify need, implement strategic support, and measure meaningful impact
- Mental Health Lead
- Designated Safeguarding Lead (Supporting a dedicated team of DSL and DDSLs)

Across Accomplish MAT (1 day per week)

As Education Welfare Officer, you will extend your influence beyond one setting:

- Drive attendance and engagement as a fundamental right for every child
- Empower families to overcome barriers and reconnect with education
- Collaborate across schools and agencies to deliver consistent, high-quality support
- Contribute to a trust-wide vision where no child is left behind

Who You Are

You are someone who combines heart, skill, and ambition:

- Experienced in working with primary-aged children, particularly those with additional or complex needs
- Deeply empathetic, yet resilient and solution-focused
- A natural relationship-builder who can influence, support, and challenge with integrity
- Passionate about mental health, safeguarding, and inclusive practice
- Committed to ongoing growth, with the potential to develop into future leadership in pastoral or safeguarding roles

Experience as a Mental Health Lead or Safeguarding Lead is desirable- but your drive to make a difference is essential. There is potential for progression for the right candidate.

Why This Role Stands Out

- The opportunity to transform lives at both individual and system level
- A role that blends direct impact with strategic influence across a Trust
- A culture that truly lives its values: Care, Empower, Celebrate Uniqueness

- Investment in your professional development, leadership, and future career pathways

Join Us

If you are ready to take on a role where you will advocate, support compassionately, and empower relentlessly, we want to hear from you.

Help us build a future where every child thrives—because every child matters.
