The Growth Learning Collective

Introduction

The Growth Learning Collective is the federation of Newington Green Primary School and Rotherfield Primary School, two thriving community schools in Islington. After five years of close collaboration, the governing boards of both schools voted unanimously to federate in July 2022, creating a unified leadership and governance structure that strengthens educational outcomes and community engagement.

Our federation is built on a shared belief: by working together, we can achieve more than we ever could alone. This partnership allows us to share expertise, pool resources, and deliver a rich, inclusive curriculum tailored to the needs of our diverse learners.

Executive Headteacher Paul Thomas explains:

"We are passionate about improving the life chances of all pupils, giving them the best opportunities to be ambitious. The Growth Learning Collective is a place where children flourish, the community feel a sense of pride and belonging, and where staff thrive."

Federation Benefits

The Growth Learning Collective offers a range of benefits for pupils, staff, and the wider community:

Shared Expertise: Staff across both schools collaborate to share best practices, specialist knowledge, and innovative teaching strategies.

Professional Development: Teachers and support staff benefit from joint training opportunities, mentoring, and career progression pathways.

Curriculum Enrichment: Pupils enjoy a broader range of learning experiences, including joint projects, trips, and enrichment activities.

Leadership Strength: A unified leadership team ensures consistent standards, strategic planning, and a clear vision across both schools.

Resource Efficiency: Shared resources and services allow for more effective use of funding, facilities, and support systems.

Community Impact: The federation strengthens ties with families and local organisations, creating a more connected and supportive community.

Our Federation

Each school retains its unique identity while benefiting from shared leadership, professional development, and strategic planning. The federation is led by an Executive Headteacher and a Federated Governing Board, which oversees both schools.

Our core aims:

Deliver a **rich and well-balanced curriculum** with enriching experiences.

Ensure **high outcomes for all pupils**, regardless of background.

Newington Green is a vibrant, two form entry school, with Nursery and two-year-old provision, serving a diverse community in Islington. The majority of pupils are of minority ethnic origin with Turkish, Somalian and Bengali being the largest ethnic groups in the school. The school has approximately 40% free school meals entitlement and over 25 languages spoken as first languages in the homes of its pupils.

We were graded outstanding in our last Ofsted inspection (July 2024) in all areas.

The school had a multimillion-pound refurbishment to the main, and 2 subsidiary buildings. The quality of the learning and working environment is now exceptional. Classrooms have bespoke storage, we have a cookery suite, performance hall, gym hall, dining hall, art studio, Spanish Studio, Music Studio, Parent hub, conference suite and group rooms for each year group. All our playgrounds have also been redeveloped, and the quality of the spaces is fantastic for learning and playing.

We have a large kitchen onsite, with an additional room that has cooking facilities for staff and children. We have growing beds for vegetables and want to further develop our food provision.

On our website you will find many of our school policies. In particular the Learning Policy, Behaviour Policy and Marking and Feedback Policy will help give you an idea of how we work and our expectations here.

In 2016 we began a partnership with Rotherfield Primary School. In this partnership we share staff and resources with the aim of securing the best provision for our pupils. We have the following shared staff across both schools: Home School Worker, Premises Manager, Clubs Manager, Art Specialist, Spanish Specialist, Business Manager, Executive Head, Head Chef and a Computing Specialist.

We run wrap around care from 7.30am to 6.30pm and have a range of enrichment clubs for pupils to attend.

We work closely in partnership with 24 other Islington Schools through a collaborative network called Futurezone. We love working together to improve things for our children!

The very best way to find out if Newington Green is right for you is to come and visit us! This will give you a real sense of what it would be like to work here.

Our Executive Headteacher or Head of School will always be delighted to show candidates around and talk informally about posts available.

Why do staff work here?

Janet- Both Newington Green and Rotherfield staff member

As part of the Subject Specialist Team, I teach Spanish from Reception to Year 6 across the partnership. Teaching every child in two schools every week requires a lot of energy and meticulous organisation, but I love the variety this mode offers, delivering my subject across the age range, adapting language and activities to each cognitive stage.

As a subject specialist, I'm expected to design and deliver a creative curriculum which complements and enriches that of each main school. I'm supported in this by research-led teaching and learning CPD and we're encouraged to challenge our thinking and practice. The buildings and outside spaces in each school have very distinct architectural styles but both have been modernised to create great spaces in which to teach and learn.

When I started the role, I was struck by the children's growth mindset. I love working with such enthusiastic learners. They amaze me every day!
