

Dear Candidate

As Headteacher it gives me great pleasure to welcome you to our school and I want to start by thanking you for your interest in the post of Sports Coach at Tor Bridge High.

Tor Bridge High is a single Academy Trust with children at the heart of every aspect of our work. We have a clear and moral purpose and strong educational philosophy to provide each student with the absolute best education and ensure that, no matter what their background is, students leave us with the skills and support they need to become independent members of society.

Tor Bridge High is situated on a large site and is modern: it was rebuilt in 2011. Our school is a well-established secondary school and sixth form which caters for up to 1,200 pupils and is oversubscribed; it has been oversubscribed consistently for many years and this is something we are very proud of.

Our PE Department comprises of 5 teaching members of staff who work within an extremely well-resourced Sports Centre.

The Role of Sports Coach is key to both our delivery of a broad and balanced physical education curriculum and in the provision of high quality extra-curricular activities that enhance and enrich the experiences of our students.

We are on a continuous journey of school improvement with a relentless focus on high expectations through the Principles of Teaching, aiming to improve outcomes for all our students. This was reflected in our 2022 Year 11 results where we saw an overall increase in students' attainment - a reflection of the dedication of our staff for continued school improvement. Our ongoing development as a school was also note in our recent Ofsted inspection (November 2021) in which we were judged as "good in all aspects".

We welcome applications from candidates from all sporting backgrounds.

We very much look forward to receiving applications from candidates whose personal qualities, value and experiences support and reflect ours.

Yours sincerely
