Kepier is an exciting place to teach. Our staff are friendly, supportive and dedicated. We follow an inspirational curriculum which helps to prepare our young people fully for the challenges of adult life.

You will be a highly motivated and enthusiastic colleague who is keen to make a difference. Your role will be instrumental in delivering the Kepier vision of highly engaging, interactive and challenging learning experiences for our learners in PE. You will be a practitioner who has the vision, energy and drive to build on our existing strengths. You will also have enthusiasm for promoting/driving extracurricular activities and building upon previous successes.

The post holder will be required to teach across the full age and ability range and, therefore, candidates must have good knowledge and understanding of KS3 and KS4 PE. We require a female practitioner, as supervision of female changing rooms is an essential element of this role.

Applications are welcomed from both NQTs and experienced teachers. Kepier is a dynamic Academy, firmly committed to staff development, with a highly regarded and supportive induction programme for NQTs.

Kepier is committed to promoting and safeguarding the welfare of children and young people. Enhanced Certificate of Disclosures are required for this position. Please note that in all cases written references will be sought and made available to interviewers before the final selection stage.

Applications should be returned to [recruitment@kepier.com](mailto:recruitment@kepier.com) no later than 12 pm noon on Monday 22nd February 2021. It is hoped that interviews will take place week commencing 1st March 2021.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career.
