

February 2025

Dear Candidate

Female Teacher of Physical Education.

Full-time, permanent. Applicants wanting part-time will be considered.

Thank you for your interest in the above post at Limehurst Academy. This post is to begin on 26th August 2025. The post would ideally suit an Early Career Teacher, but other teachers are welcome to apply. Teachers wishing to work part-time (at least three days per week) would be considered. Although you will be expected to teach girls and boys, we require a female teacher to help provide a safe and supportive environment for female students, especially in changing rooms.

Limehurst Academy is an exciting place to work and learn. Our school motto is Achievement in a Caring Environment. You will see when you visit the school and talk to the students, teachers, support staff and governors that we are passionate about what we do: getting the best out of every child whatever their abilities, interests or ambitions. We have high aspirations for everyone who is part of our community whether student or member of staff. With this caring ethos we are looking for skilled staff to join us who have a clear passion for helping young people achieve the absolute best they can. Also, since 1st January 2021, we are a proud member of the East Midlands Education Trust.

At Limehurst, we aim to deliver the highest quality teaching, which encourages greater student responsibility and independence in their learning. We aim to understand quickly the changing needs of each individual in our care and prepare them for the next stage of their education. We challenge and support them to succeed beyond what they believe they are capable of in an environment where students feel safe and relationships are good. We provide them with exciting learning opportunities both in the classroom and beyond that will engage and motivate them so that they will want to come to school. We join with them in celebrating their successes.

The school was inspected by Ofsted in April 2022, who confirmed that the school remains a good school. The report can be found on our website, and I strongly encourage you to read it. It begins with the line: "Pupils are unanimous in their praise of Limehurst Academy." It also says, "Pupils are polite and respectful. In lessons, their conduct is exemplary." We know our school well but we are not complacent. We are constantly seeking to improve, and deliver outstanding education to the community we serve – a community that we are very proud to be a part of.

This post is a crucial one to the school. You will be part of a team of six teachers. PE is a very popular subject at Limehurst; we are proud to still refer to ourselves as a Specialist Sports College. Students in Key Stage 3 have three hours of PE per week; in Key Stage 4, it is one hour per week. We also deliver

Cambridge National Sports Science to those students who wish to study the subject at KS4, and this is a popular choice for students. You will need to have a commitment to extra-curricular sport. You must be able to deliver inspiring lessons for all ages and abilities within the subject. The job description will give you further details about what we require.

Our 2024 results were, again, very strong. Overall Progress 8 for all students was +0.28, with over 50% of students achieving a Grade 5 in English & Maths. As has been the case for many years now, all of our headline measures are well above national averages. We are committed to improving yet again this academic year, and we are determined to do so. Our parents and the local community are extremely supportive of the school.

If you believe you have the skills and qualities to help us continue to be successful, then I look forward to receiving your application. You need to apply via the form which you will find on the [EMET vacancies](#) webpage.

Please submit the application by the deadline date of 9.00am on Monday 17th March. **However, we reserve the right to call suitable applicants for interview before this date.**

Yours faithfully
