*December 2021*

Dear Applicant

Thank you for requesting the details of this post.

The Henry Beaufort School is at an exciting stage in its development.

The school was delighted to receive a very positive Ofsted report in May 2017, confirming that the actions being taken by the school are resulting in “a culture of continuous improvement”.

When I came into teaching my focus was entirely on being an outstanding practitioner. I wanted, perhaps expected, all my students to be inspired by literature and appreciate the value of English as a vehicle to a wide range of careers. My somewhat missionary zeal was soon tempered by the reality of the day job! However, I never lost faith in the need to inspire my students with my teaching, in rejoicing when they made progress and being determined that making progress was a basic right for all of my students.

This fundamental vision as a teacher has continued to guide me through my career and as a Headteacher it has become central to the vision I have for the school. However much of my time is taken up with the responsibilities of a Headteacher, there is still for me, nothing that matches the privilege of being in a classroom environment. There is no more important role in school than that of being a teacher. It is this principle that guides all the appointments made at The Henry Beaufort School namely putting outstanding practitioners in front of our students.

We are very proud of the ‘culture of continuous improvement’ that has been maintained since our Ofsted Inspection in May 2017. We are a Top Ten school in Hampshire [DfE Performance Tables 2019]. However, we are not complacent, we know that such a culture can only be maintained through our hard work and determination to secure positive outcomes for all of our young people.

We operate a five year curriculum model with the options process starting in Year 8. We believe this gives all of our young people the opportunity to secure the best possible outcomes, academically and in terms of their personal growth. Cultural Capital opportunities throughout the five year model will be integral to this success and this will ensure that we continue to offer a broad and balanced curriculum throughout these five years.

Please look carefully at the Role and Responsibilities that accompany this vacancy. Selecting the right person to become part of our team is our challenge. I do hope that you will want to be that person.

I look forward to receiving your application.

Sue Hearle  
Headteacher

# BACKGROUND INFORMATION

## *The History of our Name and Crest*

The Henry Beaufort School was opened in September 1971. The school bears the name of a Bishop of Winchester who died in 1447. Henry Beaufort was Bishop of Winchester and three times Chancellor and is buried in Winchester Cathedral. He was a highly regarded representative of his country abroad.

Henry Beaufort was also a man of great wealth but he gave large amounts to charity, including rebuilding Winchester Cathedral and enlarging St Cross Hospital. We consider our students to be members of the wider community and it is hoped that all of them will aim to be good representatives of the school 'abroad' – both in the locality and further afield. It is also hoped that they will share what good fortune they have with other members of the community. For these reasons the school governors chose the name of Henry Beaufort for the school. The school crest represents Beaufort Castle in Anjou, France, from which Henry Beaufort took his name.

In order to echo this connection with other countries and cultures, and looking forward to other European links through our International School award, European cities have been chosen as names of the seven faculties. Each of these cities has a connection with the curricular team to which it is linked.

## *The Henry Beaufort School Vision Statement*

We are proud to be an inclusive comprehensive school. We understand that young people today have many pressures placed upon them from an early age. Our role is to create a happy, stimulating learning environment that gives every child the confidence and resilience to face these pressures head on.

We have high expectations of all of our students. At The Henry Beaufort School there are no limitations to individual success.

We acknowledge the fundamental role that we play in the academic and moral education of young people.

We celebrate the success of our students at every opportunity and take delight in the buzz and energy around the school site well beyond the official ending of the school day.

We do not accept mediocrity or complacency. We understand the challenges that accompany our role as educationalists and we continue to work to find ways to refine and improve our practise. This is underpinned by our aim to be outstanding in everything that we do.

## Five Year Curriculum

We pride ourselves on providing opportunities for every student to follow a broad and balanced curriculum.

We know that success comes from enjoyment and engagement. Our confident curriculum narrative is based around our teaching of key concepts, prioritising depth over breadth and ensuring knowledge and understanding is gained in each subject, at each stage.

Our core curriculum of Maths, English and Science, is complemented by the study of a possible twenty different options subjects, from which students choose four to study to GCSE level. This range of choices ensures that there are opportunities for all; we are ambitious for all of our students to study a range of challenging academic subjects alongside vocational routes.

Our curriculum aims to give our students the skills and experience they need in order to access the next stage of their education, and realise their potential.

## Curriculum Map

Please see the table below for allocation of hours for each subject in each year group.

Our options process starts in Year 8 and students begin their GCSE studies in Year 9.

Hours per fortnight	English	Maths	Science	History	Geography	RE	Relationship & Sex Education	Languages	Technology Rotations	IT	PE	Art	Drama	Music	Option Block A	Option Block B	Option Block C	Option Block D	Total

## The school day and organisation

The school day is compressed, running from 8.30 am until 2.40 pm, with a fifteen-minute morning break and a half-hour lunch break.

## Curriculum Extension Activities

A wide range of curriculum extension activities take place from 2.40pm to 4.00pm daily, as well as during evenings and weekends. A high percentage of students and staff participate in these activities.

Our Home Learning Club is a particularly successful feature of wider extracurricular provision. It is based in the Library each day, where children who want to do homework are supported by our Librarian. We have over half the school visiting this club each year.

# ACCOMMODATION & RESOURCES

## *Our Building And Facilities*

The School consists of eight main buildings around the central administration block (Winchester). The facilities include a Library, Information Technology Suites, a Media suite, eight Science Laboratories, a Beacon Arts Centre which has excellent Drama facilities, Art Studios, and Music rooms, a Gymnasium and Sports Hall, Design and Technology Workshops, Learning Support and Hearing Resource Base. For outdoor sports and athletics there is an extensive area of grass as well as hard playing surfaces. The Sports Hall is used for Whole School Assemblies and also affords facilities for a wide variety of sporting activities. The Library is available for use by students at all times of the school day and is equipped with all the latest technology. Students may book in to use any facilities not otherwise in use, to assist their work. In addition, all these resources, including the computers, are available for use at certain times after school for a variety of other activities.

In April 2004 we opened an on-site day nursery, Henry's Kindergarten. This benefits the local community as well as having places reserved for Henry Beaufort staff. With the support of the Football Association, an Artificial Grass Pitch with floodlight facilities was built for school and community use.

### *Continuous Professional Development*

The school prides itself on the opportunities it creates for staff development. All staff receive an annual review as part of performance management and training needs are identified from the objectives set for each member of staff.

Training can take the form of external courses, or in-house, in-service training. The school's aim is to develop and promote the use of its own expertise in developing staff, thereby offering further opportunities for professional development through the training of others. We also participate in the Learn Alliance training programmes from NQT to Middle Leadership courses. Subject Leader network meetings take place each term and involve subject leaders from schools within the local area. We work closely with The Westgate School undertaking a number of joint initiatives. This includes a very successful Aspiring to Senior Leadership course.

All new staff receive a weekly meeting from key colleagues in the school across the first term. This supports our new colleagues to become familiar with our routines and ethos.

### *Equal Opportunities*

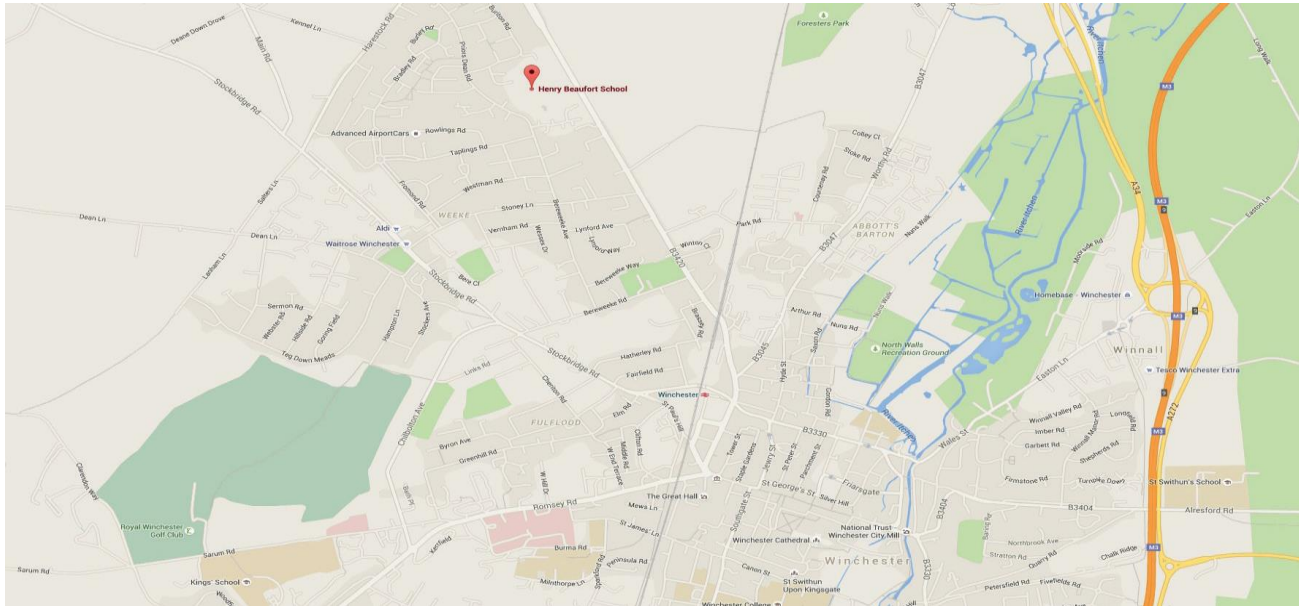

It is acknowledged that Hampshire County Council is an Equal Opportunities employer. The school will do its utmost to meet this requirement. In pursuing this policy in support of the aims of the school, we recognise that:

- diversity amongst staff should be viewed positively
- in all staff appointments, the best candidate should be appointed, in line with The Equality Act 2010.

# HOW TO FIND THE SCHOOL

The Henry Beaufort School is situated to the north of the city of Winchester, set in extensive grounds off Priors Dean Road. There are good road and rail links with the M3 running close to the city and Winchester's main rail station being on the Waterloo line is only an hour from London.

## *Hampshire Local Authority – Information*
