Post: Finance Assistant

Contract Type: 25/30 Hours, 39/42 Weeks (to be agreed with the successful candidate) 42 weeks per year is term time plus 15 days in school holidays

Contract Term: Permanent

Salary: Grade 4 (£20,444 to £22,571 FTE)

The Mercia Finance Team aims to deliver outstanding finance services to all Trust schools.

The current team is expanding and we are looking for a flexible and enthusiastic individual with good finance knowledge and strong communication skills. You will be joining an existing team of 7 staff that has a strong team ethic.

The team is led by the Finance Manager and has well-established financial systems and procedures that are generic across the Trust. We are a centralised team who work remotely from a number of locations so the successful candidate will need to be flexible as to which school they could be based in.

Whilst our finance offices are located in schools, we deal exclusively with finance for the trust so you will not be involved in any other aspect of day to day school life, with students or parents/carers.

School experience is not essential as full training will be given, however, it is essential that applicants have experience of working in a financial environment with qualities and evidence linked to the job description.

Initially the priority for the role will be data input but there is potential for the role to grow and develop. We are audited annually by external accountants and you will therefore need to have excellent attention to detail and will be able to process high volumes of transactions accurately.

The successful applicant will:

- Have experience of maintaining financial information systems
- Have excellent communication skills
- Have strong IT skills in Microsoft packages and financial software
- Be able to problem solve
- Have the ability to prioritise and work to tight deadlines in a fast-paced environment

If you are interested in this role and require further information please contact Mel Balfour, Finance Manager on 0114 255 7331 extension #605 or 07932 574898 for an informal discussion about the post.

If you wish to apply for this role, please submit a Mercia Learning Trust Application to recruitment@merciatrust.co.uk. Please note we do NOT accept CV's or Sheffield City Council Application Forms.

Closing date for applications is **Sunday 12 June 2022**

Thank you for your interest in this role within Mercia Learning Trust.

Mercia Learning Trust is a highly successful partnership of 3 primary and 3 secondary schools located in the south west of Sheffield. We are proud that overall effectiveness, outcomes and improvement trends are amongst the strongest in any trust in the country.

Our Trust is based on a deep and shared moral purpose. We believe an exceptional education can realise the potential of every student, whatever their background, and truly transform lives...

Working as individual schools, and in deep partnership, our singular intention is to ensure every student, whatever their background, will attend an exceptional school. We believe students should enjoy school, feel safe and fully supported, be inspired to learn, develop character and aspiration, and realise their full potential. We are so committed to student success and well-being that we choose to think of every student we serve as if they were our own, and to measure our actions and impact against this.

Our Trust has a mature definition of partnership which we call aligned autonomy. We share the same mission, values and moral purpose, have an increasing amount of common best practice (often backed by research), and benefit from our combined resources and reputation. Nevertheless, we understand that schools are unique and are best led by leaders and staff who feel fully accountable and are able to individually innovate in the light of their context. This balance between difference, sharing and commonality is what drives improvement and lies at the heart of our Trust.

Alongside our students, our staff are our greatest asset. As such we are deeply committed to recruiting, developing, retaining and caring for our exceptionally talented and committed staff teams.

This commitment is enshrined in the Mercia Pledge which is designed to ensure our staff get the very best professional experience and support on offer anywhere. The Mercia Learning Alliance sits at the centre of this strategy, alongside that to recruit new teachers into the profession, and support system leadership across the sector.

In a short period, our Trust has achieved a great deal. However, we are ambitious and forward-thinking, and fully committed to maintaining and improving student experience and outcomes, and further improving our Trust.

We also believe we are well-placed to engage in careful and sustainable growth in the light of our Trust mission and priorities.

Chris French
CEO

Thank you for your interest in this role within the Central Services Team at Mercia Learning Trust. Our Central Team was established in 2016 and has seen continued growth in capacity and expertise over the last few years.

We continue to develop new ways of working to ensure we can effectively respond to the needs of each school within the Trust and continuously improve the support we offer.

The team is pivotal in the successful operation of the Trust and is focused on supporting the improvement of educational standards in all our schools. All of the work carried out by our Central Teams is in relation to the non-teaching and learning aspects of running our schools; Estates, Finance, HR, IT and Payroll.

We want to drive improvement by developing the efficiency of our schools through shared resources. Effective and efficient use of resources supports teaching and learning across the schools and ensures both the long-term viability of individual schools and the sustainable growth and strategic direction of the Trust.

As Director of Finance and Operations, I ensure that the services we offer are sustainable to support our future growth and provide strategic oversight of operational services across all our schools. As a team, we offer a high-quality service to all of the schools within the Trust. This centralised structure relieves the burden of administrative responsibility from schools allowing Headteachers to focus on teaching and learning.

We encourage our staff to be flexible thinkers with an open-minded approach. If you are as excited about this as we are and want to join us on our journey, we would be delighted to receive your application.
