Senior Finance Officer

Dear Applicant,

Thank you very much for your interest of the post of Senior Finance Officer at Exeter Learning Academy Trust. This is an exciting post that will appeal to someone who enjoys all aspects of finance and would be happy working in different school settings. You will be joining a small team of finance officers who work closely together to support each other in their roles. We welcome applications from both experienced and new staff who are keen to develop their careers – this could include supporting an individual who is working towards formal accountancy qualifications

Our Trust was formed in January 2017 and currently consists of 4 good/outstanding primary schools with approximately 1290 children and 205 staff. We are a people-focused organisation with strong principles of enabling every child and adult within our Trust to thrive. We have high aspirations for all our children, regardless of their starting point, and in turn, expect our staff to have high aspirations of themselves. We believe we have a duty to use our professional skills and knowledge to help the children overcome any barriers so they can be opened to a world of choice and opportunity.

Working collaboratively and developing strong relationships is core to the success of our Trust. We share our strengths and use our collective resources to get the best outcomes for our children. If successful, you will be joining a friendly, dedicated and hard working team of adults.

Our schools are all within 10 minutes of each other and situated in the vibrant city of Exeter which is easily accessible from the A38. Please contact Pauline Woodbridge at pwoodbridge@elatschools.com if you would like to find out more about the post.

The closing date for completed application forms is 9.00am on Monday 13th January 2025.

We hope that you are the kind of person who will enjoy working in this interesting and attractive City, with friendly staff and children. Thank you for your interest in the post and we look forward to receiving your completed application form.

Yours faithfully,

Rachel Shaw

Our vision and values

After more than 18 months of educating children through a pandemic, and much uncertainty as to when it will end, we know that the world around us has changed dramatically. We have children in our schools who have yet to experience a normal school year without closure; staff who have been teaching almost 2 years and have not had their class full time in the classroom; parents who have had to become full time teachers; and our children exposed to an online world, increasing their vulnerability.

Recognising the impact the global pandemic has had, we revisited our vision and values throughout the Summer and Autumn of 2021 to ensure they would support and recognise the experiences children and adults have had. We consulted with our pupils, staff, governors and Trustees and took into account feedback from parents through surveys.

Our vision

Working together, we will provide an excellent education that enables all children to succeed and broaden their opportunities.

Our values

We have the **highest expectations** for every child and believe it is our job to ensure they have the opportunity to achieve their dreams and be the best they can be.

Building **strong relationships** are at the heart of what we do, and our children will know they are loved and have a role to play as future citizens in creating a fair and kind world.

Our staff team will be **successful and valued** in the workplace. They will strive to continuously get better and do their utmost to ensure all children reach their potential.

Our children will be immersed in a stimulating and **inclusive curriculum** that gives them the skills, knowledge and experiences they need to achieve well and become resilient learners.

Our schools will be **beacons in their communities** and reach out beyond the school gates to create positive relationships that will support our children's futures.
