Our School

Bassett Green Primary School is situated in the heart of the Bassett community. It benefits from a large site and grounds with ample space for learning and discovery. Every classroom features an interactive whiteboard and has been designed to be child-centred and empower independence. Lessons take place in a range of settings; from our brand new IT suite to our 'Nurture Reserve' sensory garden and allotment, to one of our two well equipped libraries. We also have numerous learning spaces suitable for small group activities. We are currently developing our outside space as we believe children are healthier, happier and more creative when they are connected to the natural world. Plans will include a nature and wildlife area with a dipping pond, a cultivated garden for growing our own vegetables and a space for developing our teambuilding and resilience through den building.

We are a close-knit community and our family ethos is important to us. We have 15 classes, an IT suite, 2 libraries, allotment and large grounds. Children start their journey with us when they are 4 years old and continue until the age of 11 before transitioning to secondary school.
