Church of England School

## Food Teacher – MPS Fringe Area Start Easter 2023 or September 2023 Full Time

(Other Search terms: Brentwood, NQT, ECT, Food Tech, Prep, Preparation, DT, Design & Technology, Food Science, Sci, Technology, Catering, Hospitality)

### The Post

It is an exciting time at Becket Keys Church of England School (Outstanding, 2014). We are enjoying celebrating our successive years of high GCSE and A level achievement and again we are expecting to see this cohort achieve the best possible outcomes yet.

As part of our on-going commitment to high quality teaching of Food, we are now seeking an additional teacher to join our highly successful and hard-working team. If you can deliver engaging Food & Nutrition teaching to our students, we want to hear from you! ECTs and talented unqualified teachers (eg qualified chefs) would be welcome to apply – we have an excellent track record of supporting professional chefs into the first years of their teaching career.

Our department is one of the strongest in the school and consistently delivers exceptionally high standards in both progress and attainment terms. Students thoroughly enjoy Food Lessons at this school with good numbers continuing at GCSE and into Sixth Form. They are taught a highly practical hands-on curriculum with challenging recipes and restaurant standard skills being learned. Our hospitality and catering course is very popular and has recently innovated to include an element of restaurant French, providing an important extra dimension to the students' experience.

We would love to show you around our department and hear what you could bring to our team.

The appointee will be committed to our high expectations and core values – we welcome applications from teachers irrespective of their faith or lack of it. However, we ask for applicants to appreciate and respect the beliefs of others and have strong moral principles.

For further information about our school, please visit our website at [www.becketkeys.org](http://www.becketkeys.org). Please email us at [vacancies@becketkeys.org](mailto:vacancies@becketkeys.org) if you would like to discuss this role further. Visits are encouraged, so please email us for details of our forthcoming tours.

Staff of the school benefit from priority admission for their children. Our admissions policy effectively guarantees staff a place in the school for their children. With nearly 850 applications for our 150 places each year, this is a significant perk! In addition, staff will be provided with a comprehensive induction programme and laptop, childcare vouchers are available, and childcare is available at a neighbouring provision with discounted rates for staff members.

### To Apply

Please complete both our application form and equalities monitoring form and email it with a personal statement to [vacancies@becketkeys.org](mailto:vacancies@becketkeys.org).

Becket Keys is committed to safeguarding and promoting the welfare of children and young people. The successful candidate will be subject to an enhanced DBS check.

**Closing date:**

Noon, Friday 17<sup>th</sup> February

Please apply promptly as interviews will held as soon as possible.
