

Section: Food Technology Teacher MPS

Buckinghamshire

St Michael's Catholic School, Daws Hill Lane, High Wycombe, Buckinghamshire HP11 1PW

Required for September 2022

St Michael's Catholic School (Wycombe Campus)

St Michael's Catholic School requires a Food Technology Teacher to join a successful department working on our Wycombe campus. We seek a well-qualified, enthusiastic teacher who is committed to supporting pupils' education. This role would suit an Early Career Teacher or someone with experience. Full or Part-time considered. It would be an advantage for the applicant to be able to offer a second subject.

All KS3 students have lessons in a broad mix of Technology areas, including Food Tech, Product Design, Art, Graphics and Textiles at KS3. The school aspires to offer Food Tech GCSE and would welcome applicants who have potential to lead this change in the future.

St Michael's Catholic School is an extremely popular school that consists of two campuses across Bucks and is an all through school with students from nursery to sixth form. Each year the school welcomes pupils from over 30 primary schools across the region.

St Michael's pupils composed the school's mission statement of "**achieve in faith with love as a community**". Young people are entering an increasingly complex world; the leaders of the future will require empathies, attributes and attitudes that will allow them to navigate and thrive in a world characterized by change. Our focus on Gospel values, strong relationships and exceptional pastoral support, provide the bedrock of our work.

At St Michael's you will be fortunate enough to be part of a welcoming, forward thinking learning community with dedicated, professional staff and opportunities for personal and career development. We are determined that St Michael's will be second to none in the quality of its curriculum opportunities, teaching, learning, staff and resources. Our diverse and exciting range of opportunities for enrichment and learning outside the classroom give students the opportunity to grow in a broad range of contexts contributing to the development of happy, confident and ambitious young people.

The successful candidate will be:

- A well-qualified teacher with a vision for the future
- A highly motivated team player
- An excellent classroom practitioner
- Passionate about their subject
- Determined to develop professionally
- Committed to the care, safeguarding and inclusion of all pupils
- Able to inspire pupils
- Confident working in partnership with others
- An excellent communicator
- Supportive of the Catholic ethos of the school
- Demonstrate a commitment to raising attainment through extra-curricular activities

For further information, an application pack or an informal discussion regarding the post, please contact Georgia Bartropp (Head of School PA) at office@stmichaelscs.org or call 01494535196 (option 1 – Wycombe).

St Michael's Catholic School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the DBS.

Closing Date: Thursday, 19th May 2022

Start Date: September 2022
