

THE SAINT JOHN HENRY NEWMAN CATHOLIC SCHOOL

Applicant Pack

Food Technology Teacher

January 2026

Welcome from our Headteacher

Dear Applicant,

Thank you for your interest in working at the Saint John Henry Newman School. I hope you find this information pack a useful introduction to our school. We are delighted that you see our school as a place where you can make an impact.

The Saint John Henry Newman Catholic School is a very distinctive community which unequivocally works to be a living Christian community in which each child and young adult is known and loved for who they are. We want our students to enjoy their education – to be happy, safe and secure and to grow in God's love so that when they leave the school, they are equipped to change the world and make it a better place.

We firmly believe that our parents are the 'prime' educators and that our success is a result of the collaboration between parents, school and child working together for the good of the child. Our parents are encouraged to be fully engaged in their children's education and there are many opportunities for parents to visit the school and contribute to their children's adult formation and academic success.

This academic success is highlighted by the high rate of progress our students make. The school's progress 8 score of 0.73 places the school in the top 6% of schools in the country, whilst at Sixth Form our students continue to achieve in excess of national standards. This success at key stage 4 and 5 means that the Saint John Henry Newman Catholic School continues to be officially recognised as one of the highest-achieving schools in the country.

We are however very clear that our 'Mission' is to create an environment in which children can discover who they are and what their role in this life is. In the words of our patron, the Blessed John Henry Newman, we believe that "God has created us to do Him some definite service".

Thank you for your interest in Saint John Henry Newman School. My colleagues and I look forward to reviewing your application.

Yours faithfully,

David Carrasco
Headteacher

Introduction of Our School

The Saint John Henry Newman school serves the North Hertfordshire Catholic community but our catchment area extends to Bedfordshire, East Hertfordshire and parts of Cambridgeshire. Originally, a 6-form entry School, the intake was increased to 210 in 1999 and increased to 8 form entry in September 2015. There is a high retention rate in the Sixth Form and many students apply to join our Sixth Form from other establishments. Consequently, the School has grown in size from 830 in 1993 to approximately 1600 in September 2023, with 400 students in the Sixth Form. The School became an academy as part of the Diocese of Westminster Academy Trust in 2012 and has benefitted from considerable investment in its buildings as a result, including a £3.5 million Sports and Performing Arts block (The Pavilion).

A major refurbishment of the school estate is currently being undertaken with the provision of two new blocks which are open and operational. These home new teaching accommodation, a dedicated sixth-form suite, a greater number of computer rooms and improvements to the Library, Dining and Hall facilities. The existing main block is being demolished as part of the final phase of the works. Following the demolition of the old teaching block the school will landscape the grounds to create a new prayer garden.

The first of the new facilities was opened by former Headteacher Mr Kelly in October 2022. The second phase of the work which includes the opening of the new main block known as the Mathew Block had its formal grand opening in January 2024 and was opened by former Headteacher Mr Mathew as seen in the picture above.

Our Mission Statement emphasises the practical nature of our religious character. We seek to offer a living Christian experience as a community in which each pupil is valued as an individual and is encouraged to achieve success in school life. Our Chapel is a central part of school life but it is in the day-to-day operation of school life that the School sees its aims being fulfilled. We want Students and students to enjoy the experience of being part of the Saint John Henry Newman Catholic School community, to gain in self-confidence and to become young adults instilled with a sense of personal responsibility, social commitment and, hopefully, an awareness of their own distinctive spirituality. We want them to be equipped to change their world.

The pupil population is mostly Catholic and the School is heavily oversubscribed for places. Although not all staff are Catholic (teaching staff 45.9% are Catholics), all maintain and support the distinctive Catholic nature of the School and support the Headteacher in

implementing the School Mission Statement. There is presently 90 members of teaching staff and there is a generous complement of support, technical, clerical and maintenance staff.

In years 7 to 9 Students follow a broad and balanced curriculum based on the National Curriculum. Students in Year 10 and 11 follow a core curriculum of English, Maths, Science and RE with three subject choices. At Key Stage 4 we encourage students to follow the EBAC where this is appropriate, but we offer a wide range of GCSEs and the creative subjects (Art, Drama, Dance and Music) are very popular option. We offer a range of vocational courses for Students for whom this is appropriate.

Our current provision offers vocational courses in Child Development, Catering and Sport. We have a large sixth form of approximately 400 students and there is a very wide range of A-level provision. Advanced Vocational courses are also offered in Art and Design, Production Arts, Digital Music Production, Music Performance. Applied Science, Sport and Health and Social Care.

The School has an excellent academic reputation. In 2024/25 the students achieved: 84% GCSE English and Maths at 9-4, 34% of all GCSE grades achieved were 9-7, 58% of A Level grades were A*, A or B. At A-level the pass rate for the last three years has been over 98%.

The pass rate for Vocational courses has consistently been 100%. We are, however, conscious that we have the capacity to improve further and we are determined to do this on behalf of our Students and students. Exam results, important though they are for opening doors for Students in the future, do not determine success and happiness.

Therefore, we have a strong enrichment and well-being program that encompasses every student and a comprehensive career curriculum. We have been awarded with the Kitemark for emotional health and wellbeing for our work supporting students, their families and staff.

The number of Students entitled to free school meals is relatively low (8%) with 7.9% of Students receiving Pupil Premium. The ethnic composition of the School's population reflects the community which it serves. It is predominately white British (42%) but with significant proportions of ethnic minorities reflecting the Church's worldwide mission and the growing number of new migrants employed primarily in health care and scientific research. Attendance is above the national average with very low unauthorised absence figures.

A Diocesan Section 48 inspection in November 2019 concluded that we are an “Outstanding Catholic School”. Our most recent Ofsted Section 8 inspection confirmed that the school continues to be judged as “Good”. Inspectors noted that the evidence gathered suggests the school may now be “Outstanding” should a full graded (Section 5) inspection take place. Our next inspection will therefore be a graded inspection.

Inspectors were full of praise for our pupils, noting that they are proud to belong to the school are confident and courteous, and that their behaviour is exemplary. Pupils spoke with pride about the many opportunities available to them, including the School Parliament, the Duke of Edinburgh’s Award scheme and the wide range of clubs in sport, drama and music. They value the leadership roles they are given and the fact that their voices are listened to, which helps them feel a deep sense of belonging and commitment to their school community. Inspectors described classrooms as calm and purposeful places where pupils are studious, eager to learn and determined to meet the very high expectations of their teachers. They also commented on the culture of kindness and acceptance that permeates the school, with staff who know and care for their pupils. As one sixth-form student summed up: “Whoever you are, wherever you come from and whatever you believe, you are given a warm welcome here.”

We operate at a very human level and recognise that it is our good and caring staff who sustain and develop our school. Our challenge is to maintain high-quality provision, hopefully, to continue to make changes to improve this, but above all, to honour the promise we make to every parent who chooses to send their child to our School - that each child will be recognised and loved for who they are and that they will be offered excellent learning opportunities in a safe, caring and inspirational environment.

We are looking to appoint individuals who will enjoy being part of this distinctive community and who will contribute to it by sharing their individual talents, character and commitment and, hopefully, sense of humour! The Saint John Henry Newman School is committed to safeguarding and promoting the welfare of children and young people. All appointments are subject to a satisfactory enhanced DBS check.

The Catholic life of our school community continues to be at the core of everything that we do and to be the reason why our school exists. Our Students shine in every aspect of their lives; they are spiritual, powerful, creative and individual, each one of them inspired by God and talented beyond our comprehension and their own expectations. This is their time to discover who they are and what they could become, and our belief is that they could become anything that they wish to be - the page is blank. That is not to say that we have unrealistic expectations or aspirations for them, but it is to say that we believe that God's plans for them far exceed anything that they can imagine for themselves at this young age.

We believe that each child has his or her unique set of talents – these talents have been entrusted to him or her to be nurtured, developed and multiplied – not to be buried and forgotten. Each child must be given the time and support to become the person that God intended him or her to be. We believe in the need for developing self-respect – valuing our own identity and uniqueness and taking pride in ourselves and our achievements – learning to love ourselves as the person God created us to be.

A great challenge to which we aspire every day...

The staffing of the department currently consists of a Head of Department, a subject specialist and leader for Food also second in department and one other full-time member of staff. The department is supported by two highly skilled technicians.

The accommodation is grouped in two main areas that are geographically close to each other. KS3 Curriculum

We teach students to acquire a broad range of subject knowledge and draw on disciplines such as mathematics, science, engineering, computing and art. Students learn how to take risks, becoming resourceful, innovative, enterprising and capable citizens. Within Design Technology we strive to make students aware of their role in society and to give them the skills to be sustainable and understanding of their personal impact on the planet. To reflect this sustainable approach to design we focus our material use toward timber, paper and boards.

KS4 Curriculum

We currently offer the following KS4 subjects: -

- WJEC Hospitality and catering
- GCSE Design Technology

Design Technology Enrichment

We believe in the many benefits derived from Project Based Learning and these bring about a positive learning experience for all involved developing cooperation and collaboration through group-based work. This is balanced with the theoretical content needed to be successful.
