

May 2022

Dear Applicant

Thank you for showing an interest in our teaching vacancy.

Kirtton Primary School is a larger than average school with a hard-working, friendly team of staff and delightful children. Our latest Ofsted inspection described us as a 'Good School'.

We are currently seeking an enthusiastic, creative and innovative classroom teacher to join our team. All year groups are arranged in single-age, parallel classes and our teachers plan together; PPA is taken at the same time in order to facilitate this. If you have a preferred Key Stage, please state this clearly in your application.

If you would like to come and meet us, please don't hesitate to contact us.

The successful candidate will be subject to enhanced Disclosure and Barring Service (DBS) and Barred List check and Disqualification from Caring for Children Regulations disclosure before they are able to start.

Yours sincerely

Mrs Donley
Executive Headteacher
