St Mary's CE VC Primary is housed in a mix of a modernised 1970s main building and new and refurbished out-buildings. These have benefited from significant investment that has enhanced the learning environment. The school population has increased over the last few years and it is now currently at capacity. It is a well-appointed school with extensive grounds including a number of hard surface playgrounds, an adjoining field and an environmental area.

St Mary's is located in Bideford, an historic town on the North Devon Coast. It has a rich history and is surrounded by beautiful countryside and fantastic beaches. The increased population in Bideford, due to the large amount of development around the town, is reflected in a wider social and cultural diversity within the school population. We have close relationships with the parish church, Local Community partner school in the Atlantic Coast Co-operative Trust (ACCT), along with 9 other primary schools in the Bideford area. We are also members of the South West Institute for Teaching (SWiFT)

We would welcome a visit from you so that you can view our school, please contact our School Business Manager, Mrs Sally Westlake, on 01237 477288

Vision

“Together we journey to a future of opportunity.”

Our vision is to give every child the skills and experiences they need for their next step in life. At St. Mary’s C of E Primary School, we aim to provide a high-quality education that develops children intellectually, socially, morally, physically and spiritually within a Christian environment. Through the school’s ethos and collective worship, we use the Bible as guidance, as teaching and as our compass. In our school, children learn to respect the diversity within their community, themselves, differences of others and their surroundings. Children will leave our school on the next part of their journey in life with the confidence and the ability to make responsible and appropriate choices. They aspire to be the best they can and are valued members of the community.

“Your word is a lamp to my feet and a light to my path.”

Psalm 119 v105

About us

St Mary's C of E Primary School is set in the old port town of Bideford, where tourism is a strong factor in local employment and income.

The school has 420 pupils from varying backgrounds, most of whom live in the town area, although some children come from the outskirts of Bideford and the surrounding villages.

We have 14 classes, 2 per year group. The staff team is dedicated, hardworking and determined to do the best for the pupils in their care.

The percentage of children in receipt of the Pupil Premium Funding is 19%.

Currently, our percentage of children with Special Educational Need is 15%. We employ a range of staff to help support pupils including Pastoral Support workers on a full-time basis, so that they are able to provide a range of additional support on top of what the children receive within the classroom.

Curriculum Intent

At St. Mary's C of E Primary School our curriculum is designed to inspire enthusiasm for learning, to ensure achievement and to support pupil well-being and development. Personal development sits at the heart of all that we do with an emphasis on the curriculum and wider opportunities supporting pupils to be confident, resilient, independent and to develop strength of character.

Our curriculum enables us to build strong relationships, celebrate diversity, encourage respect and build a sense of community. It provides and acknowledges success for all children, in all aspects of their development and it recognises, encourages and celebrates all types of talent. All pupils, including the disadvantaged and most vulnerable, are given opportunities to engage with a full curriculum that provides essential knowledge to become educated citizens and succeed in life.

Teamwork and responsibility are an essential part of our curriculum and we enable children to take on key roles and become involved in the community through wider opportunities such as Head Boy/ Head Girl, Rota Kids, Eco Club and School Council. Pupils are supported to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.

The National Curriculum objectives are followed as a progression to ensure that children know more, remember more and can do more as they move through the school.

Children leave St. Mary's Primary School with a sense of belonging and are proud that they have developed the confidence and skills needed to be learners for life.

We believe in establishing a safe environment in which children can learn and develop; to provide them with a range of activities and experiences that will enable them to achieve their true potential and to become well rounded life-long learners.

Ofsted Inspection / SIAMS

Following our last inspection, in October 2016, in which St Mary's was judged to be 'Good', in all aspects and moving towards 'outstanding' in some areas. Our Foundation Stage was judged to be Outstanding and 100% of teaching was judged as good or better, across the school.

The school was last inspected under SIAMS in March 2022 and was judged good in all areas, a number of strengths were identified in this at all levels; leadership, school improvement, curriculum, pupil behaviour and pastoral support.

in the Exeter Diocesan Board of Education**

Dear Applicant,

The Diocesan Board of Education welcomes your interest in the important position of Teacher in a Voluntary Controlled Church of England school in the Diocese of Exeter and trusts that the following information will assist your consideration of the post.

Geographically, the Diocesan boundaries are commensurate with the boundaries to the County of Devon. The Diocesan Board of Education is administered from the Diocesan Education Office in central Exeter from where the Diocesan Education Team offers support service to all Church of England Schools in the Diocese. Officers advise Voluntary Controlled Schools on all aspects of Denominational Education: in particular Collective Worship and Religious Education; Statutory Inspection of Anglican and Methodist Schools (SIAMS); Church School governance, headship and management appointments.

Under the Schools Standards and Framework Act 1998, Section Voluntary Controlled School Governing Bodies are required to be satisfied regarding the professional ability and willingness of a candidate to promote and develop the Christian character and ethos of the school.

The Governing Body of a Voluntary Controlled School is responsible for Collective Worship in consultation with the headteacher. The incumbent of the Parish is usually the Ex Officio Governor. Foundation Governors are nominated by the Parochial Church Council and the appointments ratified by the Diocesan Board of Education.

Should you have any queries about this post, please do not hesitate to contact this office.

With prayers and good wishes as you further consider your application,

Sue Lockwood
