

Icknield Community College

Teacher of French and Spanish from September 2021 Main Pay Range/Upper Pay Range

As a result of school expansion, we are looking to recruit a French and Spanish teacher from September 2021. Our successful candidate will be:

- Thoroughly committed to enabling all students to reach their potential
- A creative and forward-thinking teacher who places high value on their own professional development in order to improve continuously as a practitioner
- Motivated, resilient and flexible
- A team player
- Committed to achieving a work/life balance and maintaining their own interests outside of teaching
- Is on an upward trajectory and excited about its future

We will offer our successful candidate a school which:

- Exists to serve its students and both support and challenge its staff
- Focuses relentlessly on improving teaching and learning in order to raise standards
- Enjoys positive relationships between staff and students
- Knows every individual student well because of its size
- Is on an upward trajectory and excited about its future

In March 2019, Ofsted graded the school as good once again. The HMI Lead Inspector confirmed 'The leadership team has maintained the good quality of education in the school since the last inspection.' The report also described the Headteacher as '...an outward-looking, dynamic and thoughtful leader' who has 'instigated a number of far-reaching and successful changes over the last few years.' We believe that our Ofsted report describes our school accurately and are pleased with the comments in it.

Our MfL department is innovative, collaborative and supportive. We are very well resourced and use latest technology as an integral part of our teaching. Results have been amongst the highest in the school over the last few years and are well above national average. For more information, please see our Open Evening video [here](#).

Full details, including the Acer Trust Teaching Staff application form, job description, person specification, and details of flexible working, can be found on our website:
