## THE REGIS SCHOOL – LIMITLESS AMBITION

Thank you for your interest in this vacancy. I feel privileged to be leading the Regis School and I am resolute in my determination to deliver a high performing fully inclusive school, that provides a first-class education for the community it serves.

The staff here share that ambition, and you would be joining a highly qualified, motivated, and dedicated team, who are passionate about ensuring they bring out the best in everyone. We have high expectations of the students and a shared purpose; to ensure when they leave us, they will be motivated lifelong learners, kind citizens and productive young adults. This is achieved through delivering an ambitious curriculum that equips students with powerful knowledge,

maximising their cognitive development, and drawing out and building on their talents. Our curriculum is broad and balanced, not just our academic curriculum but also in terms of Character Education, where we are fully committed to our co-curricular provision, and the 'hidden curriculum' of the school - intended to spark curiosity and to nourish the head and the heart.

Our ethos is centred around 'the best in everyone' and therefore we expect the best from everyone, constantly challenging the students and ourselves. As a hardworking and passionate Headteacher I believe in many things including: high professional standards (of ourselves and our work); in personal responsibility and the value of discipline; that all students deserve disruption free learning; in kindness and good manners; in inclusion; in smiling; in being respectful and most importantly in showing limitless ambition, setting goals high.

I am proud of the commitment shown daily from our staff and the students to ensure The Regis School is a centre of educational excellence. This permeates out into the community, where parents' confidence in our ability to do so is shown in The Regis School being the school of choice for the community we serve. We are delighted to have been oversubscribed for the third consecutive year this September and early indications predict this trend will continue with our new Year 6 intake in September 2022.

If the above aligns to your values and educational beliefs and feel excited that The Regis School could be the right school for you, we would welcome your application. There is more information in your pack and on our website about our school, and we hope you enjoy finding out more about us. We recognise that moving to a new school is a significant decision and therefore offer an open invite to prospective candidates to meet with myself (face to face or virtually) and visit the school in person. I very much look forward to meeting you.

Best wishes  
Dave Oakes  
Principal

## The Regis School

The Regis School is part of United Learning, a unique group of independent and state schools working together to achieve the best in everyone.

Our vision is to provide an excellent education so that all young people are able to make a success of their lives and, if we are to realise this vision, we need to make sure we attract, develop and reward the key ingredient, our high quality, hardworking staff.

The Regis is a school that we all feel proud of and our teachers are passionate about their work. We know that teaching can be a challenging profession, but with the support we offer and a commitment to seeing the best in each other, we work tirelessly to find creative ways to educate. We have access to a Group-wide curriculum, an intranet platform that enables sharing of resources and opportunities for work shadowing and mentorship.

The Regis School is a secondary 11-18 school with over 1600 students on roll. We are an inclusive comprehensive school that aims to achieve the best for every student. This philosophy is reflected in the successful Sixth Form of 160+ students who are offered a broad range of academic and vocational programmes. Over 70% of our students progress to Higher Education each year.

The Regis School has a well-qualified, dedicated supportive and enthusiastic staff team. We have approximately 200 staff, all of whom are committed to providing the best possible education for our students. As one of the biggest employers in Bognor Regis, we emphasise the learning of adults and young people. Staff are involved in further study, research projects and in the training of teachers in partnership with local universities.

The school boasts superb facilities in all subject areas. Each teaching area has audio-video facilities and a range of ICT suites throughout the school provides access to specialist equipment. All teachers have a laptop provided, to support teaching and administration.

The Regis School aspires to be an outstanding centre of learning, serving its community and transforming lives. We seek to equip our students for a changing world through building confidence, encouraging creativity and fostering enquiry to achieve excellence. These qualities will allow our students to flourish as leaders of the future and to take their place as caring, ambitious and responsible citizens in their communities.

Academic achievement is at the heart of what we do, ensuring students leave with the highest qualifications that enable them to be competitive in the global economy. We have a strict behaviour policy that enables teachers to teach in classrooms that are mainly free from disruption. Students who prevent others from learning are given a single warning, then learn elsewhere in the school under the supervision of senior staff.

The Regis School is part of the United Learning group. United Learning is a large, and growing, group of schools aiming to offer a life-changing education to children and young people across England.

United Learning schools work as a team and achieve more by sharing than any single school could. On our intranet site United Hub, for example, we share lesson plans and many other resources, helping to simplify work processes and manage workloads for an improved work-life balance.
