Introduction from the Chair of Governors

A very warm welcome to our school. At Fulbourn Primary School we want to be at the heart of the village community, working together to make both the school and the village a great place to be. All schools have their own distinctive feel, which makes each one unique.

We believe that what makes our school unique is the way our children are encouraged to be independent; that they have something to offer which is valued and that their learning journey is something that they can shape. Visitors often reflect on the wonderful atmosphere which combines this curiosity for learning with compassion, enthusiasm for creativity, and permanent emphasis on building courage and self-belief.

The school was last inspected by Ofsted in October 2022 and the overall performance was judged to be good. We are proud of our very good academic results. Overall attainment is above both local and national averages and high achievers are leaving with results which show that they are being stretched.

We are proud of our school environment that will in time, enable us to expand to two-form entry, accommodating building developments in our village.

We look forward to welcoming you to our wonderful school.

Section 1

An introduction by the Head Teacher

At Fulbourn Primary School, we believe that children learn best when they feel happy, safe and secure. We create a nurturing environment and set challenging targets for pupils and staff. As a result, children at our school thrive and fulfil their potential. We want all children to feel that they have something to offer that is valued. We believe they should be excited about and enthralled by learning, brimming with further questions that they want to explore. When you visit our school, you will find children are motivated, inquisitive and keen to extend their learning.

Reading is at the heart of our curriculum and permeates all that we do. We want every child to leave our school as a confident, competent reader, with a positive reading identity.

We know that when our staff thrive, the children in their care do too. We work hard to ensure our team feel valued, are able to balance their workload with their life outside of school and feel part of a team that are achieving great things for the children of the school. Our staff team tell us Fulbourn Primary School is a great place to work.

Vision and Values

Our vision statement, 'Making aspirations achievable', reflects our commitment to ensure all pupils leave the school equipped with the skills and knowledge necessary to pursue their dreams. Four core values underpin our decisions and actions and are symbolised in our school logo. These are known as the 4Cs:

We have chosen these as core values because we believe that:

Children who have **courage** and self-belief are most likely to achieve their aspirations.

Children who are **curious** about learning will question the world around them and always challenge themselves and others.

Children who have **compassion** will be, and teach others to be, better human beings.

Children who are **creative** will be able to solve the problems of the future.

To enable children to achieve these qualities there are four key aims for school staff. The first is to provide children with memorable learning experiences. Secondly, children must be nurtured as individuals and helped to recognise what they have to offer as members of society. Thirdly, we must motivate and inspire children to achieve the highest standards in basic skills. Finally, staff must ensure children have the opportunity to achieve in all areas of learning and excel in those in which they have a passion or talent.
