

April 2025

Dear Applicant

I am delighted that you are considering applying for the post of Teacher of Maths at Haileybury Turnford. Thank you for your interest in our school.

Haileybury Turnford is a great school to work at and it will provide an exceptional opportunity for the successful candidate to make a real difference to our students and giving them the best possible life chances. This role will provide an excellent opportunity to join a very supportive school environment.

We are a school on the up and were rated 'Good' by Ofsted in March 2022

It is an exciting time for our school. We continue to make real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team. We moved into new accommodation for some faculties in September 2021 and we are working with the Department for Education to re-build the rest of our school over the coming three years.

We are very popular with our local community!

We are recruiting a number of positions for September 2025, due our increased student roll. We are fully subscribed for the fourth year running, and as such we need additional colleagues to join our staff team. We have strong teaching and good student attitudes to their learning. If you join us, you will join a very cohesive and supportive teaching and support staff team.

Opportunities through our sponsor, Haileybury

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body. There are also excellent opportunities for departments to develop relationships with Haileybury to support our students. Both schools are fully committed to extending this unique opportunity in the months and years ahead.
