VERITAS
— EDUCATIONAL TRUST —

INTRODUCTION FROM OUR EXECUTIVE HEADTEACHER

Dear Colleague,

I am delighted that you are interested in a position with us at Bishop Ramsey School which is part of the Veritas Educational Trust (VET).

This is a really exciting time to be considering joining Bishop Ramsey which is an extremely successful and consistently oversubscribed Church of England school. Our staff team is supportive and considerate and our caring ethos makes Bishop Ramsey a rewarding place to work.

We are committed to ensuring high standards and high aspirations, of active participation and of creating emotionally rich learning environments. This is an important part of the character of our school. We value our close local partnerships and genuinely collegial way of working.

We recognise that an excellent working environment requires excellent support and we are committed to providing exceptional training as well as support for staff wellbeing. I also appreciate that members of staff have families, personal commitments and lives beyond school and we go above and beyond what is expected in many schools to ensure that staff can fulfil these responsibilities also. Recognising and supporting our staff to get a good balance is very important to me.

As a Church of England school we have a caring Christian ethos and we value inclusion and diversity highly and actively celebrate our differences as a staff body and as role models for our students. We recognise that it is not necessary to be a practising Christian in order to support our Christian ethos and therefore we welcome applications from candidates from any background.

I do hope that the information enclosed here inspires you to make an application and look forward to welcoming successful applicants to our learning community for interview.

Dr Hilary Macaulay

Executive Head, Bishop Ramsey School
CEO, Veritas Educational Trust

"THIS IS A REALLY EXCITING TIME TO BE CONSIDERING JOINING BISHOP RAMSEY WHICH IS AN EXTREMELY SUCCESSFUL AND CONSISTENTLY OVERSUBSCRIBED CHURCH OF ENGLAND SCHOOL"

OUR VALUES AND AIMS

OUR VALUES

Bishop Ramsey School is a Christian Learning Community. We recognise that every individual is created in the image of God. We seek to nurture each member of our community to develop his or her skills and abilities in a positive and ordered learning environment, so that students mature into responsible and caring adults, and that all members of the school community recognise the value of every individual in God's eyes.

As a Church of England School we wish students to grow in the Christian faith. While being firmly committed to this, we encourage an understanding of and a respect for other faiths.

The principle of Christian stewardship underpins our approach to the use of the school's resources. Our approach to our relationships is based on the Christian view of God's love for each of his human children and of Jesus' command to forgive and love our fellows.

We base our approach to achievement and the provision of opportunities for development on Jesus' statement that he came to offer 'life in all its fullness' (John 10.10).

OUR AIMS

- Every learner is an empowered learner.
- Every lesson is an excellent lesson.
- Every day at school is a rich experience.
- Every relationship is a positive encounter.
- Each school community looks outwards and beyond.

We achieve our aims by:

- **Learning** so that every learner is an empowered learner and every lesson is an excellent lesson.
- **Loving** so that every day at school is a rich experience and every relationship is a positive encounter.
- **Living** so that students learn to look outwards to the world and beyond to God.

The name 'Hillingdon' appears in the *Domesday Book* (1086) and Veritas Educational Trust has its offices at Ruislip in the northern part of the London Borough of Hillingdon.

Hillingdon is a large borough and borders the London Boroughs of Harrow, Ealing and Hounslow to the east and the counties of Buckinghamshire and Berkshire to the west and Hertfordshire to the north.

With excellent transport routes, including being the home of Heathrow airport, and with easy access to the A40, M4 and less than half an hour by train or tube into the centre of London, the borough benefits from many first-class schools, a wide variety of restaurants and different types of housing.

With a wealth of green spaces and parks, Hillingdon enjoys the advantages of being a London borough but has the feel of a suburban oasis.

A short drive or train ride across the northwest boundary into Buckinghamshire leads to the uncrowded, beautiful rolling green English countryside of the Chiltern Hills, most of which is designated an Area of Outstanding Natural Beauty (AONB), and a little further north west is Oxfordshire.

Many of our staff live in the surrounding Home Counties and choose to travel the relatively short distance into London to work.

THE MATHEMATICS AND ICT FACULTY

Mathematics is delivered by a team of 11 specialists. We also have a dedicated Higher Level Teaching Assistant (HLTA) who works with Special Needs students, teaches and completes administration for the Department.

In Year 7, students are grouped within three ability bands from as early as possible in the school year and this is reviewed on a regular basis. The curriculum for Years 7 and 8 builds the foundation for the start of the three year Key Stage 4 curriculum. We are currently working on embedding a new assessment and tracking scheme in Key Stage 3 and using ICT to enhance student understanding, including the use of Graphical Calculators in the Sixth Form.

The students follow the Edexcel syllabus at GCSE. The Mathematics Department is one of the highest achieving in the school, with 86% of students achieving Grade 4+ at GCSE in 2020. Students also have the opportunity to take FSMQ Additional Mathematics as part of their Key Stage 4 options, with a group in each of Year 10 following the course.

Mathematics is a thriving subject in the Sixth Form. We currently offer the Edexcel syllabus with a flexible approach that enables us to set the students and give them the opportunity to study combinations of Mathematics and Further Mathematics at AS and A2 level. We also offer Core Maths to Year 12. Each year we have a number of students who achieve at the highest level in Mathematics and Further Mathematics.

We have a suite of seven recently refurbished classrooms each one has its own Prowise whiteboard. Each teacher has their own personal laptop. The Mathematics Department has its own office and stockrooms, with a wide variety of resources.

The Department makes a large contribution to the life of the school. Students take part in the UKMT Challenges and a few progress to the Kangaroo and Olympiad stages. Students also have the opportunity to attend Maths Club, enter other local and national competitions and attend a variety of extra-curricular trips.

We hope this brief synopsis will have given you something of the flavour of Mathematics at Bishop

Ramsey. We extend a warm welcome to new members of a friendly, lively and hardworking Department.

ICT and Computing is delivered by a team of 3 specialists, one of which is the Head of the ICT and Computing Department and is line managed by the Head of the Faculty.

KS3 students are taught a range of ICT and Computing skills to enable them to develop their digital literacy in preparation for future study and working life. In Year 10, students are able to specialise in either ICT or Computing by taking one of two KS4 courses. ICT is currently taught as a vocational course which is highly skills based and suits those students who perform better when completing project work than in a traditional examination environment.

Computer Science is taught at both GCSE and A-Level by the department and is a popular option choice in the school for our more academic students. Our Department has an excellent record of results at A-Level and many of the students who study it go on to study some form of Computer Science degree at University.

We have a suite of four ICT classrooms which each include desktop computers, printers and interactive whiteboards. The department run an ICT club which enables students to learn how to code and use different software to create exciting projects.

The ICT and Computing Department are passionate about using technology to enhance education and often provide training for other staff to help impart new ways to facilitate teaching and learning or to improve the digital literacy of our support staff.

The staff in the ICT and Mathematics Faculty work well together, often sharing resources, ideas and sometimes lunch. Staff in the faculty are friendly, open to change and willing to work collaboratively towards a common goal.

SAFER RECRUITMENT IN EDUCATION

Veritas Educational Trust is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to demonstrate this commitment in every aspect of their work.

The aims of our Safer Recruitment Procedures are to help deter, reject or identify people who might abuse children or are otherwise unsuited to working with them.

WHAT WE WILL PROVIDE

All applicants for all vacant posts will be provided with:

- a job profile outlining the duties of the post, including safeguarding responsibilities;
- a person specification which will include a specific reference to suitability to work with children; and
- a Veritas Educational Trust application form.

All applicants will be required to complete this application form, containing questions about their academic and full employment history and their suitability for the role.

In addition, all applicants will be required to account for any gaps or discrepancies in employment history.

REFERENCES

References will be requested at the selection stage directly from the referee. They will be asked about:

- the referee's relationship with the candidate;
- details of the applicant's current post and salary;
- performance history and conduct;
- any disciplinary action involving the safety and welfare of children, including any in which the sanction has expired;
- details of any substantiated allegations or concerns relating to the safety and welfare of children; and
- whether the referee has any reservations as to the candidate's suitability to work with children.
- If the referee has any reservations, the Trust/school will ask for specific details of the concerns and the reasons why the referee believes the candidate may be unsuitable to work with children.

INTERVIEWS

At least one member of each interview panel will have completed Safer Recruitment Training. The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

PRE-EMPLOYMENT CHECKS

An enhanced DBS check is required for all successful applicants. Prohibition and overseas checks will also be completed if necessary.
