May 2021

Dear Candidate

Thank you for your interest in this exciting Science post at Haileybury Turnford.

It is a great opportunity for a teacher who is committed to making a real difference to our students and giving them the best possible life chances. This role will provide an excellent opportunity for an early career teacher to begin their teaching career in a very supportive environment, with excellent early-career support, or for a more experienced colleague looking for a fresh challenge.

## **We are a school on the up**

It is an important and exciting time for our school. We are making real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team. The Science Faculty will move into a new, state of the art building from September 2021 with three new specialist Science laboratories in addition to two recently refurbished laboratories.

## **Recognition from the Pearson Teaching Awards**

We have strong teaching and good student attitudes to their learning. If you join us, you will join a very well led, cohesive and supportive faculty led by the Director of Science and a fully staffed specialist science team. One of our science colleagues has recently been shortlisted for Outstanding New Teacher of the Year in the Pearson Teaching Awards.

## **Opportunities through our sponsor, Haileybury**

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body. There have also been excellent opportunities for the Science Faculty to develop relationships with the Science team at Haileybury to support our students. Both schools are fully committed to extending this unique opportunity in the months and years ahead.

## **Your application**

I appreciate the time and effort it takes to prepare and make an application, so thank you. In your letter of application, please explain how your experience has prepared you for this role – in no more than 2 sides of A4. Please send us your application as soon as possible, or by 12 noon on Monday 14<sup>th</sup> June to Lisa Nethercott at [nethercottl@haileyburyturnford.com](mailto:nethercottl@haileyburyturnford.com).

There is more information about our school on our website. If you would like more information about the school, please contact Lisa Nethercott by email or telephone.

I look forward to receiving your application.

Yours faithfully
