Brompton and Sawdon Primary School is a thriving village school. The staff team is dedicated to achieving the very best for all children and are supportive of each other in their work.

We are seeking to appoint an experienced, enthusiastic, highly motivated and caring teaching assistant to join our hard-working team. We are looking to appoint a General Teaching Assistant (SEND) to support a pupil with an Education Health Care Plan, who has just started with us in Year 4.

We require a flexible, hardworking and conscientious individual to provide support for a pupil with additional needs. The appointment will be ideal for someone who is enthusiastic and committed to becoming a valued member of our friendly team. The role will involve working with an individual pupil and small groups of pupils under the direction of the class teacher.

The successful candidate will work closely with the class teacher and demonstrate a flexible can-do approach with the aim of helping the pupil and others to continue to make progress to be the best that they can be. The ability to develop a brilliant rapport with children and nurture their self-esteem is essential; the successful candidate should have excellent communication skills and a calm and understanding manner. Our school has a friendly, happy and caring atmosphere where children are nurtured to progress in a supportive learning environment.

You should:

- be committed to working as part of a team, have excellent communication and organisational skills
- be flexible
- have a cheerful disposition and a sense of humour
- be able to inspire and motivate children's learning
- want to share our vision and ethos for the highest standards in all aspects of school life
- have experience of working with children

We can offer you:

- The opportunity to be part of a small but hard-working and passionate staff team.
- A friendly and welcoming small school community.
- Truly fantastic children with a thirst for learning.
- The strongest relationships with parents and carers.
- A fantastic indoor and outdoor classroom environment.
- Ongoing training
- The opportunity to make a real difference to the learning of the children.

We would highly recommend that candidates visit our school website to get a flavour of our school, or come to visit the school and see our fantastic children and classrooms for yourself! Phone conversations would also be welcome. Please email the school or phone Mrs Hargreaves (Office Administrator) on 01723 859359 to arrange a visit. This post is subject to enhanced DBS, suitable references and medical clearance.
