In 2022 EdAct opened a brand-new school - Salmons Brook School (Group 5 when full). Salmons Brook School is a mixed special school, which caters for young people with social, emotional and mental health (SEMH) needs.

Our students' primary need will be SEMH and some may have co-occurring needs in one or more of the following areas: communication and interaction; cognition and learning; sensory and/or physical needs. Our vision and core purpose is improving the quality of children's lives by developing their potential.

Salmons Brook School provides a high-quality education for up to 70 children aged 11-18 with Social Emotional and Mental Health needs (SEMH). This provides the right candidate with the 'once in a lifetime' opportunity to be a key part of the early development of a new school and to help shape the school ethos. Experience in special education and/or leading large SEND provisions is essential. Ultimately, we think the ability to create a therapeutic approach whilst maintaining the academic ambition for children is the most important attribute.

The closing date for applications is 9am, 16 October 2024. Shortlisting takes place on 17 October 2024 with interviews on 23 October 2024.
