In partnership with Inspiring Future Teachers, Kite Teacher Training offers all the benefits of being part of a large national programme whilst at the same time providing locally delivered school-based training in a primary school. The Kite Teacher Training Hub offer hands-on experience, expert mentorship, and a supportive learning environment to help you grow as an educator.

Our 'Get into Teaching' evening is open to anyone interested in training to teach in the Primary sector - start date September 2025.

The event will include a presentation from our team explaining how school-based teacher training works as well as offering you the opportunity to ask questions about the options available to you and what it's like to teach. You will also get one-to-one advice on the entry requirements, application process and the financial support available to you.
