Our most recent set of published GCSE results in 2019 were outstanding and strong progress and attainment was also seen in the 2022 GCSE examinations where results in key areas were well above national averages. Students in our sixth form received the school's first set of A Level results in August 2022, which were extremely pleasing with many students earning places at top universities.

Students at St Andrew appreciate being taught well and enjoy their learning. They expect high standards and like to be challenged and stretched in the classroom. They participate well and enjoy taking responsibility across the school.
